

**FINAL ADMINISTRATIVE DECISION

APPELLANT: CA Homes & Properties LLC
DOCKET NO.: 21-23857.001-R-1 through 21-23857.003-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are CA Homes & Properties LLC, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
21-23857.001-R-1	28-14-315-005-0000	798	869	\$1,667
21-23857.002-R-1	28-14-315-006-0000	798	869	\$1,667
21-23857.003-R-1	28-14-315-007-0000	798	118	\$916

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of three PINs improved with a one-story, 79-year-old, single-family dwelling of frame construction with 737 square feet of living area. The property has a 3,990 square foot site and is located in Markham, Bremen Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on November 5, 2021, for a price of \$42,500. In Section IV of the appeal form, the appellant indicates the subject property sold by owner, was not advertised for sale, and the parties to the transaction were not family members or related corporations. The appellant submitted copies of an Assignment of Contract

for Purchase and Sale, Standard Purchase and Sale Agreement, and the Settlement Statement as well as a copy of the board of review's decision reflecting the subject property was assessed at \$6,715. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" depicting a total assessed valuation for the subject property ending in parcel number -005-0000 of \$2,820, which reflects a market value of \$28,200, or \$38.26 per square foot of living area, land included, when using the median level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance. The total assessment for all three parcels is \$6,715, which reflects a market value of \$67,150, when using the median level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. They were each improved with a one-story dwelling of either frame or frame and masonry construction. They sold between June of 2019 and April of 2021 for prices ranging between \$75,000 and \$130,000, or from \$100.88 to \$159.71 per square foot of living area, including land. In addition, in its grid analysis the board of review indicates the subject property sold on November 19, 2021, for \$17,878, or \$24.22 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be the undisputed sale price of the subject property on November 5, 2021, for a price of \$42,500. In Section IV of the appeal form, the appellant indicates the subject property sold by owner and the parties to the transaction were not family members or related corporations. The appellant submitted copies of an Assignment of Contract for Purchase and Sale, Standard Purchase and Sale Agreement, and the Settlement Statement.

The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$42,500 as of January 1, 2021. Since market value has been determined the median level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2). A reduction in the subject's assessment commensurate with the appellant's request is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
