

## **FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kenneth Brown  
DOCKET NO.: 21-24129.001-R-1  
PARCEL NO.: 29-23-105-007-0000

The parties of record before the Property Tax Appeal Board are Kenneth Brown, the appellant, by Amy C. Floyd, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,093  
**IMPR.:** \$8,109  
**TOTAL:** \$11,202

Subject only to the State multiplier as applicable.

### **Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

### **Findings of Fact**

The subject property consists of a 1-story dwelling of masonry exterior construction with 1,120 square feet of living area. The dwelling is approximately 62 years old. Features of the home include a full basement finished with a recreation room, central air conditioning and a 2-car garage. The property has an approximately 6,875 square foot site and is located in South Holland, Thornton Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that are located in the same assessment neighborhood code as the subject property. The comparables are improved with class 2-03, 1-story dwellings of frame, masonry or frame and masonry exterior construction that range in size from 1,309 to 1,506 square feet of living area. The dwellings are 60 or 61 years old. One comparable has a concrete slab foundation and three comparables each have a full basement. The appellant did not report the basements finished area. Two comparables each have central air conditioning. The appellant did not disclose if the

comparables have a garage. The comparables have improvement assessments that range from \$6,322 to \$7,758 or from \$4.83 to \$5.24 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$5,757 or \$5.14 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$11,202. The subject property has an improvement assessment of \$8,109 or \$7.24 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The board of review reported that the comparables are improved with class 2-03, 1-story dwellings of masonry exterior construction that each contain 1,120 square feet of living area. The dwellings range in age from 61 to 63 years old. Each comparable has a full basement, two finished with a recreation room. The comparables each have central air conditioning and either a 2-car or a 3-car garage. One comparable has a fireplace. The comparables have improvement assessments that range from \$8,122 to \$9,239 or from \$7.25 to \$8.25 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested equity comparables for the Board's consideration. The Board has given less weight to appellant's comparable #3 due to its concrete slab foundation when compared to the subject's finished basement.

The Board finds the best evidence of assessment equity to be appellant's comparables #1, #2 and #4 along with the board of review comparables. The Board finds that these comparables are most similar to the subject in location, design, dwelling size, age, and some features. These most similar comparables have improvement assessments ranging from \$6,322 to \$9,239 or from \$4.83 to \$8.25 per square foot of living area. The subject's improvement assessment of \$8,109 or \$7.24 per square foot of living area, falls within the range of the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
