

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sanjay Amin
DOCKET NO.: 21-24349.001-R-1
PARCEL NO.: 07-24-112-011-0000

The parties of record before the Property Tax Appeal Board are Sanjay Amin, the appellant, by attorney Andreas Mamalakis of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,614
IMPR.: \$33,915
TOTAL: \$43,529

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,293 square feet of living area. The dwelling is approximately 29 years old. The home features a full basement, central air conditioning, a fireplace and a two-car garage. The property has an 11,311 square foot site and is located in Schaumburg, Schaumburg Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables that have the same assessment neighborhood code as the subject property. The comparables are class 2-78 properties that are improved with two-story dwellings of frame exterior construction ranging in size from 2,430 to 2,739 square feet of living area. The

dwelling are 26 or 30 years old. Each comparable has a full basement, central air conditioning, a fireplace and either a two-car or a three-car garage. The comparables have improvement assessments that range from \$27,188 to \$36,786 or from \$11.19 to \$13.43 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$28,823 or \$12.57 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$43,529. The subject property has an improvement assessment of \$33,915 or \$14.79 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four comparables that have the same assessment neighborhood code as the subject property. The comparables are class 2-78 properties that are improved with two-story dwellings of frame exterior construction each containing 2,293 square feet of living area. The dwellings are each 29 years old. Each dwelling has a full basement, central air conditioning, a fireplace and a two-car garage. The comparables have improvement assessments ranging from \$35,388 to \$35,928 or from \$15.43 to \$15.67 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable properties for the Board's consideration. The Board has given less weight to the appellant's comparable comparables due to their larger dwelling sizes, when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review comparables, which are similar to the subject in location and identical to the subject in dwelling size, design, age and some features. The comparables have improvement assessments ranging from \$35,388 to \$35,928 or from \$15.43 to \$15.67 per square foot of living area. The subject's improvement assessment of \$33,915 or \$14.79 per square foot of living area falls below the range established by the best comparables in the record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. A practical uniformity, rather than an absolute one, is the test. Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960). Although the comparables presented by the parties disclosed that properties located in the same area are not assessed at identical levels, all

that the constitution requires is a practical uniformity, which appears to exist on the basis of the evidence presented.

Based on this record, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
