

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Donald Baker  
DOCKET NO.: 21-24738.001-R-1  
PARCEL NO.: 05-28-401-012-0000

The parties of record before the Property Tax Appeal Board are Donald Baker, the appellant(s), by attorney John P. Brady, of Tully & Associates, LTD. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$29,370  
**IMPR.:** \$50,630  
**TOTAL:** \$80,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry construction with 2,614 square feet of living area. The dwelling is 94 years old. Features of the home include a partial basement, central air conditioning, a fireplace and a one-car garage. The property has a 13,350 square foot site located in New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on seven equity comparables. The appellant's appeal form indicates the subject is owner-occupied.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$94,806. The subject property has an improvement assessment of

\$65,436 or \$25.03 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables.

At hearing, the appellant requested the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the 2020 tax year should be carried forward to the 2021 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). He stated the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 20-30716. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$88,000 based on the evidence submitted by the parties. Tax years 2020 and 2021 are within the same general assessment period.

The board of review's representative stated the subject is not owner-occupied and therefore is not entitled to a rollover reduction. The appellant argued a certificate of error was filed and that a taxpayer would not be entitled to a certificate of error based on a senior citizen exemption unless the property was owner-occupied.

### **Conclusion of Law**

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2019 tax year should be carried forward to the 2020 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds the assessment as established by the Board for the 2020 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2020 tax year. The Board finds the subject property is an owner-occupied dwelling and that 2020 and 2021 are within the same general assessment period. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is

warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
