

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Krzysztof Hanusiak  
DOCKET NO.: 21-24936.001-R-1  
PARCEL NO.: 11-31-213-011-0000

The parties of record before the Property Tax Appeal Board are Krzysztof Hanusiak, the appellant(s), by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$12,456  
**IMPR.:** \$14,619  
**TOTAL:** \$27,075

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 6,920 square foot parcel of land improved with a 123-year-old, two-story, frame, single-family dwelling containing 2,096 square feet of building area. The property is located in Chicago, Rogers Park Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation and inequity as the bases of the appeal. In support of the market value argument, appellant argued the subject was purchased on January 29, 2019, for \$270,750. The petition discloses that the transfer was not between related parties, that the property was sold with assistance of a realtor, and that the property was not sold due to a foreclosure or for a contract for deed. In support of the equity argument, the appellant submitted five comparables. They are described as two-story, frame, single-family dwellings. They have

improvement assessments from \$7.00 to \$8.08 per square foot of building area. The petition discloses that the subject is an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$38,000 with an improvement assessment of \$25,544 or \$12.19 per square foot of building area. The total assessment reflects a market value of \$380,000 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the current assessment, the board of review submitted four comparables. These comparables are described as two-story, frame, single-family dwellings. They have improvement assessments from \$13.03 to \$17.44 per square foot of building area. The board of review listed the sale of the subject in February 2019 for \$270,750.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the only evidence of market value to be the purchase of the subject property in January 2019 for a price of \$270,750. The appellant argued the sale of the subject with involvement of a realtor and the board of review did not show the sale was not at arm's-length. Moreover, the board of review included this sale in its evidence. Based on this record the Board finds the subject property had a market value of \$270,450 as of the lien date. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted. The Board further finds that after a reduction based on market value, the subject is equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
