

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michelle Albaugh
DOCKET NO.: 21-25935.001-R-1
PARCEL NO.: 10-10-200-069-0000

The parties of record before the Property Tax Appeal Board are Michelle Albaugh, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 9,900
IMPR.: \$ 22,800
TOTAL: \$ 32,700

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2021. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

Findings of Fact

The subject consists of a two-story single-family dwelling of masonry construction with 2,880 square feet of living area. The dwelling is 120 years old. Features of the home include a partial unfinished basement and a fireplace. The property's site is 9,000 square feet, and it is located in Evanston Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence disclosing the subject property was purchased on September 17, 2020 for a price of \$327,000. The PTAX-203 form submitted by the appellant states that the subject is the appellant's principal residence, and, therefore, it is owner-occupied. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$32,700.

The board of review submitted its “Board of Review Notes on Appeal” disclosing that the total assessment for the subject is \$64,752. The subject’s assessment reflects a market value of \$647,520 when applying the 2021 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, and four sale comparables. These sale comparables sold from June 2018 to May 2021 for \$410,000 to \$868,000, or \$216.89 to \$302.47 per square foot of living area, including land. The board of review’s evidence also states that the subject was purchased in October 2020 for \$309,415.

In rebuttal, the appellant argued that the board of review’s comparables were not responsive to the appellant’s market value argument based on a recent sale of the subject.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof, and a reduction in the subject’s assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject in September 2020 for a price of \$327,000. The appellant provided evidence demonstrating that the sale had the elements of an arm’s-length transaction, including disclosing that the parties to the transaction were not related, the property was sold using a real estate broker, and it was advertised for sale on the open market with a listing on the MLS for approximately 159 days. In further support of the transaction, the appellant submitted the printout from the MLS, the PTAX-203 Real Estate Transfer Declaration, and the closing disclosure. The Board finds the purchase price is below the market value reflected by the assessment. Based on this record, the Board finds that the appellant has proven, by a preponderance of the evidence, that the subject is overvalued. The Board finds the subject property had a market value of \$327,000 as of January 1, 2021. Since market value has been established, the 2021 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
