

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mordechai Wolf
DOCKET NO.: 21-27000.001-R-1
PARCEL NO.: 10-36-223-044-0000

The parties of record before the Property Tax Appeal Board are Mordechai Wolf, the appellant, by attorney Anthony DeFrenza, of the Law Office of DeFrenza & Mosconi PC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,936
IMPR.: \$23,664
TOTAL: \$31,600

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an approximately 63-year-old, one-story, single-family dwelling of masonry construction with 1,250 square feet of living area. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a 2.5-car garage. The property has a 3,968 square foot site and is located in Chicago, Rogers Park Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant asserts overvaluation in this appeal. In support of this argument, the appellant submitted evidence disclosing that the subject property was purchased July 20, 2021, for a price of \$316,000. Additionally, appellant submitted: a photo of the exterior of the subject property, a copy of the settlement statement, a trust indemnity and security agreement from Chicago Title Company, the bill of sale, a copy of the affidavit of title, and a copy of the closing disclosure.

Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$34,000. The subject's assessment reflects a market value of \$340,000 or \$272.00 per square foot of living area, land included, when using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of its contention of the correct assessment the board of review submitted information on three suggested sales comparables. The comparables sold between July 2019 and August 2021 and ranged: in price between \$361,250 to \$404,770; and in sale price per square foot between \$274.85 and \$331.24, including land. All of the comparables were located within the same subarea as the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the sale of the subject property in July 2021 for a price of \$316,000 is the best evidence of market value. The appellant completed Section IV - Recent Sale Data of the PTAB residential appeal form and disclosed that the property was sold by owner and was advertised via a sign in front of the subject property for an undisclosed period of time. The appellant disclosed that it was not sold due to a foreclosure action. The appellant stated the sale was not a transfer between family members or related corporations. Notably, the board of review did not contest the conditions of the sale. As supporting evidence, the appellant also submitted the multiple documents including: a photo of the exterior of the subject property, a copy of the settlement statement, a trust indemnity and security agreement from Chicago Title Company, the bill of sale, a copy of the affidavit of title, and a copy of the closing disclosure. Accordingly, the Board determines that the appellant has established by a preponderance of the evidence that the subject property was overvalued. Based on the evidence, the Board therefore finds that a reduction in the subject's assessment on this basis is justified, and the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10% shall apply. A reduction in the subject's assessment is therefore appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
