Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of nine units in a twelve-unit residential condominium building. The subject units comprise 72.90% of the subject building as a whole. The building is 112 years old. The property has a 7,110 square foot site located in Rogers Park Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted on five recent sales in the subject building. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase prices.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$256,154. The subject's assessment reflects a market value of \$2,561,540, land included, when using the 2021 level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment the board of review submitted recent sale information for five units in the subject building.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be five sales submitted by both parties. The sales totaled \$1,439,500 and comprise 37.30% of the subject building which leads to a full market value of \$3,859,249, or \$2,813,393 for the units at hand, or an assessment of \$281,339 when using the 2021 level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance. Based on this record the Board finds the subject's assessment is not reflective of market value and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
