

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ilona Kral
DOCKET NO.: 21-28584.001-R-1
PARCEL NO.: 23-02-313-022-0000

The parties of record before the Property Tax Appeal Board are Ilona Kral, the appellant, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,826
IMPR.: \$6,674
TOTAL: \$18,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a final administrative decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with an owner-occupied residence.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$180,000 as of October 5, 2020.

The appellant marked on the appeal form that the subject property was an owner-occupied residence. The appellant also disclosed the subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket No. 20-20834.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$18,500 based on a stipulation by the parties.

Based on this evidence, the appellant requests a reduction in the subject's assessment to \$18,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$19,975. The subject's assessment reflects a market value of \$199,750 when using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2-11 property of 10%. The board of review indicated that 2020 was the beginning of the general assessment cycle for the subject property. The board of review also does not object to a rollover of the subject's assessment as established by the decision of the Property Tax Appeal Board for the prior under docket 20-20834 to the 2021 tax year pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185).

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2020 tax year should be carried forward to the 2021 tax year subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2020 tax year. The record further indicates that the subject property is an owner-occupied dwelling and that tax years 2020 and 2021 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
