

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 107 S Hamlin LLC  
DOCKET NO.: 21-29429.001-R-1  
PARCEL NO.: 09-34-203-030-0000

The parties of record before the Property Tax Appeal Board are 107 S Hamlin LLC, the appellant, by attorney Richard Lee, of Maisel & Associates in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,877  
**IMPR.:** \$34,123  
**TOTAL:** \$40,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved with a two-story, single-family dwelling of masonry construction with 2,768 square feet of living area. The dwelling is 58 years old. Features include a full basement with a recreation room, central air conditioning, a two-car garage, two full bathrooms, and a half bath. The subject occupies a 5,593 square foot site. It is located in Park Ridge, Maine Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant asserts overvaluation in this appeal. In support of the overvaluation argument, the appellant submitted evidence disclosing that the subject property was sold on November 30, 2020, for a price of \$400,000, or \$144.51 per square foot of living area. The evidence included the master statement and deed from the transaction.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject as \$53,181. The subject's assessment reflects a market value of \$531,810, land included, when using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%. The subject has an improvement assessment of \$47,304, or \$17.09 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information about four suggested comparables, and it provided sales information about one of those comparables.

### **Conclusion of Law**

When market value is a basis of the appeal, the taxpayer must prove the value of the property by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e); Winnebago County Bd. of Review v. Property Tax Appeal Bd., 313 Ill. App. 3d 1038, 1043 (2d Dist. 2000). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment on this basis is warranted.

The appellant presented evidence that the subject property was sold on November 30, 2020, for a price of \$400,000. The appellant filled out Section IV - Recent Sale Data of the PTAB residential appeal form and disclosed that the parties to the transaction were not related, the property was sold by a realtor, and the property had been advertised through Multiple Listing Service (MLS) for 32 days. The appellant also disclosed that the sale was not due to a foreclosure action. The appellant submitted a copy of the MLS listing, and the master statement and deed from the transaction. This evidence indicates that this sale was an arm's-length transaction. The minimal evidence of other sales presented by the board of review does not demonstrate that the subject has a greater market value than that reflected by its sale price.

The Board's task in this case is to determine the correct assessment of the subject property. *See* 35 ILCS 200/16-180. Under Illinois law, real property must be valued at its fair cash value, meaning the price that would be paid for it at a fair, voluntary sale where the buyer and seller are both ready, willing, and able to buy and sell, but neither is compelled to do so. Bd of Educ of Meridian Community School Dist. No. 223 v. Ill. Property Tax Appeal Bd., 2011 IL App (2d) 100068, ¶ 36. A contemporaneous sale of the subject property between parties dealing at arms-length is practically conclusive on the issue of whether an assessment reflected the fair cash market value of the property. Gateway-Walden LLC v. Pappas, 2018 IL App (1<sup>st</sup>) 162714, ¶ 33.

The Board finds that the best evidence of the subject's market value is the November 30, 2020, sale of the subject for \$400,000. Because the subject's assessment reflects a fair market value of \$531,810, which is greater than the \$400,000 sale price, a reduction in the subject's assessment commensurate with that sale price is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
