

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paulina Szwed  
DOCKET NO.: 21-29607.001-R-1  
PARCEL NO.: 09-07-420-015-0000

The parties of record before the Property Tax Appeal Board are Paulina Szwed, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,700  
**IMPR.:** \$9,735  
**TOTAL:** \$14,435

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a 70-year-old, one-story, single-family dwelling of frame construction with 1,144 square feet of living area. Features of the home include a partial unfinished basement and three bedrooms. The property's site is 6,714 square feet, and it is located in Des Plaines, Maine Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with varying degrees of similarities to the subject. The appellant did not report the exact proximity of the suggested comparables to the subject but disclosed that they had the same neighborhood code as the subject. The comparables had improvement assessments ranging from \$8.12 to \$8.80 per square foot of living area. The appellant lists the subject's total assessment as \$15,401 and improvement

assessment as \$10,701 or \$9.36 per square foot of living area. The appellant requested the subject's total assessment be reduced to \$14,435.

The board of review sought and received an extension of time to file its supporting evidence, however the record does not contain evidence in support of the board of review's contention of the correct assessment.

The Board of Review was found in default by the Board for failing to submit its evidence on time. The Board of review was notified that this appeal would proceed based on the evidence submitted by the appellant. Any further evidence received from the Board of Review would not be considered in determining the correct assessment of the subject property. 86 Ill.Admin.Code §1910.40(d).

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proven by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof, and that a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be appellant's equity comparables #1 through #4. These comparables had improvement assessments that ranged from \$8.12 to \$8.80 per square foot of living area. The subject's improvement assessment of \$9.36 per square foot of living area falls above the range established by the best comparables in this record. Based on this record, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
