

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Patricia Considine
DOCKET NO.: 21-29911.001-R-1
PARCEL NO.: 17-17-412-034-0000

The parties of record before the Property Tax Appeal Board are Patricia Considine, the appellant(s), by attorney Mary Kate Gorman, Attorney at Law in Tinley Park; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,358
IMPR.: \$27,923
TOTAL: \$39,281

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2,524 square foot parcel of land improved with a 143-year-old, one and one-half story, frame, single-family dwelling containing 1,095 square feet of building area. The property is located in Chicago, West Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted data on three sales comparables. These comparables are described as one or two-story, frame, single-family dwellings. They range in age from 26 to 143 years and in size from 1,220 to 1,428 square feet of building area. They sold from December 2019 to June 2022 for prices ranging from \$267,500 to \$380,000 or from \$214.34 to \$311.48 per square foot of building area. The petition discloses that the subject is not an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$39,281 which reflects a market value of \$392,810 or \$358.73 per square foot of building area using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the current assessment, the board of review submitted four sales comparables. These comparables are described as one or one and one-half story, masonry or frame, single-family dwellings. They range in age from 133 to 138 years and in size from 1,040 to 1,512 square feet of building area. They sold from August to October 2021 for prices ranging from \$514,000 to \$1,250,000 or from \$407.94 to \$892.86 per square foot of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appellant's comparables and the board of review's comparables #1 and #4. These comparables sold from December 2019 to December 2022 for prices ranging from \$214.34 to \$769.23 per square foot of building area. The remaining comparables were given less weight due to differences in size. In comparison, the subject's assessment reflects a market value of \$358.73 per square foot of building area which is within the range of these comparables. After making adjustments to the comparables for the subject's pertinent characteristics the Board finds the subject's market value based on the current assessment is supported. Therefore, the Board finds the appellant has not proven by a preponderance of the evidence that the subject was overvalued, and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
