

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Estate of Camelia P. Petrozzini
DOCKET NO.: 21-30348.001-R-1
PARCEL NO.: 13-36-231-019-0000

The parties of record before the Property Tax Appeal Board are Estate of Camelia P. Petrozzini, the appellant, by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$22,500
IMPR.: \$65,000
TOTAL: \$87,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with two multi-family, two-story dwellings of masonry construction, each with 1,804 square feet of living area. They are 124 years old. Features of both include a full unfinished basement, two full bathrooms and five bedrooms. The property has a 5,000 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant asserts assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on five suggested equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject as \$87,500. The subject property has an improvement assessment of

\$65,000 or \$18.02 per square foot of living area in the two buildings. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables.

Conclusion of Law

The taxpayer asserts assessment inequity as the basis of the appeal. The Illinois Constitution requires that real estate taxes “be levied uniformly by valuation ascertained as the General Assembly shall provide by law.” Ill. Const., art. IX, § 4 (1970); Walsh v. Property Tax Appeal Board, 181 Ill. 2d 228, 234 (1998). This uniformity provision of the Illinois Constitution does not require absolute equality in taxation, however, and it is sufficient if the taxing authority achieves a reasonable degree of uniformity. Peacock v. Property Tax Appeal Board, 339 Ill. App. 3d 1060, 1070 (4th Dist. 2003).

When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e); Walsh, 181 Ill. 2d at 234 (1998). Clear and convincing evidence means more than a preponderance of the evidence, but it does not need to approach the degree of proof needed for a conviction of a crime. Bazyldo v. Volant, 164 Ill. 2d 207, 213 (1995). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that the best evidence of assessment equity is the board of review's suggested comparables one, two, and three. The multi-family dwellings on these comparables are all of masonry construction, and each has a full unfinished basement and two bathrooms, like the subject's multi-family dwellings. The ages and living area sizes of the subject's dwellings and the dwellings on these comparables are similar. The subject property and these comparables are in the same subarea.

These comparables have improvement assessments that range from \$19.87 to \$22.09 per square foot of living area. The subject's improvement assessment of \$18.02 per square foot of living area is below the range established by the best comparables in this record. The Board therefore finds that the appellant did not demonstrate with clear and convincing evidence that the subject was inequitably assessed, and a reduction in the subject's assessment on this basis is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
