

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Schroeder
DOCKET NO.: 21-30599.001-R-1
PARCEL NO.: 14-31-300-021-0000

The parties of record before the Property Tax Appeal Board are Robert Schroeder, the appellant, by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,800
IMPR.: \$115,243
TOTAL: \$132,043

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 3-story dwelling of masonry construction with 2,508 square feet of living area which is approximately 7 years old.¹ Features of the home include 3½ baths, a full basement finished with a formal recreation room, central air conditioning, one fireplace, and a 2-car garage. The property has a 2,400 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-78 property² under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity

¹ Some descriptive information not provided by the appellant was drawn from the evidence submitted by the board of review and not refuted by the appellant via a rebuttal filing.

² Two-or-more story residence, up to 62 years of age, containing from 2,001 to 3,800 square feet of living area.

comparables located in the same assessment neighborhood code as the subject property. The comparables consist of 2-story or 3-story, class 2-78 dwellings of masonry or frame and masonry construction ranging in size from 2,332 to 2,591 square feet of living area and ranging in age from approximately 22 to 51 years old. The comparables are described as each having either two or four full baths with three comparables also having either one or two half-baths. Four comparables have a full basement, two finished with formal recreation rooms; two comparables have a fireplace; each comparable has central air conditioning; and four properties have a 2-car or a 3-car garage. The comparables have improvement assessments that range from \$56,200 to \$74,200 or from \$23.47 to \$30.15 per square foot of living area. Based on this evidence, the appellant requested a reduction to the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$132,043. The subject property has an improvement assessment of \$115,243 or \$45.95 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject and within ¼ of a mile or the same subarea as the subject property. The comparables consist of 3-story, class 2-78 dwellings of masonry construction ranging in size from 2,337 to 2,834 square feet of living area and ranging in age from 4 to 10 years old. Each comparable features either 3 or 4 full baths and either 1 or 2 half-baths. Each dwelling also has a full basement finished with a formal recreation room, central air conditioning, and a 2-car garage. Three comparables have one or two fireplaces. The comparables have improvement assessments ranging from \$121,200 to \$143,200 or from \$49.37 to \$52.45 per square foot of living area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables in support of their positions before the Property Tax Appeal Board. The Board gives less weight to appellant's comparables due to their significantly older ages, ranging from 22 to 51 years old, compared to the subject dwelling being 7 years old. Additionally, appellant's comparable #1 lacks a garage, comparable #2 lacks a basement, and comparables #3 and #4 each lack finished basement area, all of which are features of the subject property. The Board finds the best evidence of assessment equity to be the board of review comparables which are most similar to the subject in location, class, dwelling size, age, foundation, finished basement area, and other features. The best comparables in the record have improvement assessments ranging from \$121,200 to \$143,200 or from \$49.37 to \$52.45 per square foot of living area. The subject's improvement assessment of \$115,243 or \$45.95 per square foot of living area falls below the range established by the best equity comparables in this

record both on a price per square foot of living area basis, and in terms of overall improvement assessment.

After considering adjustments to the best comparables for any differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement is inequitably assessed and, therefore, no reduction in the subject's improvement assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.

IMPORTANT NOTICE

Section 16-185 of the Property Tax Code provides in part:

"If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel after the deadline for filing complaints with the Board of Review or after adjournment of the session of the Board of Review at which assessments for the subsequent year or years of the same general assessment period, as provided in Sections 9-125 through 9-225, are being considered, the taxpayer may, within 30 days after the date of written notice of the Property Tax Appeal Board's decision, appeal the assessment for such subsequent year or years directly to the Property Tax Appeal Board."

In order to comply with the above provision, YOU MUST FILE A PETITION AND EVIDENCE WITH THE PROPERTY TAX APPEAL BOARD WITHIN 30 DAYS OF THE DATE OF THE ENCLOSED DECISION IN ORDER TO APPEAL THE ASSESSMENT OF THE PROPERTY FOR THE SUBSEQUENT YEAR OR YEARS. A separate petition and evidence must be filed for each of the remaining years of the general assessment period.

Based upon the issuance of a lowered assessment by the Property Tax Appeal Board, the refund of paid property taxes is the responsibility of your County Treasurer. Please contact that office with any questions you may have regarding the refund of paid property taxes.
