

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Olugbenga Babarinde  
DOCKET NO.: 21-30989.001-R-1  
PARCEL NO.: 09-27-211-033-0000

The parties of record before the Property Tax Appeal Board are Olugbenga Babarinde, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,653  
**IMPR.:** \$43,160  
**TOTAL:** \$48,813

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 6,650 square foot parcel of land improved with a 46-year-old, 2-story, masonry, multi-family dwelling, containing 4,219 square feet of living area. The property is located in Park Ridge, Maine Township, Cook County and is a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant contends assessment inequity as the basis of the appeal. In support of its argument, appellant submitted information on four suggested equity comparables. They were each improved with a 2-story, multi-family dwelling, of masonry construction. They ranged: in size between 3,572 and 4,777 square feet of living area; in improvement assessment between \$9.43 and \$11.03 per square feet of living area; and in age between 50 and 81 years old. All four of the comparables had a 2-car garage and were located within 0.7 miles from the subject property. Appellant also submitted a copy of the board of review's July 25, 2022, written decision

providing for an assessed value for the subject property of \$57,945. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$47,843.

The board of review submitted its "Board of Review Notes on Appeal" depicting a total assessed valuation of \$57,945, with an improvement assessment of \$52,293, or \$12.39 per square feet of living area. In support of its contention of the correct assessment, the board of review submitted four comparable properties. Each of the comparable properties were improved with a two-story, multi-family dwelling of masonry construction. They ranged: in living area square footage between 3,098 and 3,372; in assessment between \$12.72 and \$13.19 per square foot of living area; and in age between 55 and 66 years old. The comparables had either a 2-car or 2.5-car garage and were located within a quarter of a mile from the subject property.

In rebuttal, appellant submitted two additional comparables. The Official Rules of the Property Tax Appeal Board prohibit the submission of new evidence in rebuttal and, therefore, these comparables cannot be considered by the Board. 86 Ill.Admin.Code 1910.66.

### **Conclusion of Law**

Appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds appellant *has* met this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables #1, #2, and #4. These comparables were most similar to the subject property in living area square footage. All of the comparables submitted by both parties were close to the subject property in proximity and similar to it in construction and age. Less weight was given to the comparables with the greatest dissimilarity in living area square footage in comparison to the subject property. The best comparables had improvement assessments that ranged from \$9.43 to \$11.03 per square foot of living area. The subject's improvement assessment of \$12.39 per square foot of living area falls above the range established by the best comparables in this record. Based on this record, the Board finds appellant *did* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
