

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: My Kind of Town Properties, LLC  
DOCKET NO.: 21-31000.001-R-1  
PARCEL NO.: 17-20-427-005-0000

The parties of record before the Property Tax Appeal Board are My Kind of Town Properties, LLC, the appellant, by attorney Brianna L. Golan, of Golan Christie Taglia LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$9,288  
**IMPR.:** \$37,196  
**TOTAL:** \$46,484

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story multi-family building of masonry exterior construction with 2,134 square feet of building area. The building is approximately 142 years old and features an unfinished basement. The property has an approximately 3,096 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on six equity comparables located in the same assessment neighborhood code and from 0.90 of a mile to 2.10 miles from the subject property. The comparables are improved with class 2-11 multi-family buildings of masonry exterior construction ranging in size from 2,352 to 2,604 square feet of building area. The buildings range in age from 109 to 143 years old. Each comparable has a

basement, one of which is finished with an apartment and three properties have either a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$30,475 to \$34,575 or from \$12.70 to \$13.95 per square foot of building area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$28,190 or \$13.21 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$46,484. The subject property has an improvement assessment of \$37,196 or \$17.43 per square foot of building area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 2-story class 2-11 multi-family buildings of frame or masonry exterior construction ranging in size from 2,200 to 2,421 square feet of building area. The buildings range in age from 23 to 138 years old. Three comparables have a basement, two of which are finished with either an apartment or a recreation room. One comparable has a concrete slab foundation. One building has central air conditioning and two properties have a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$38,835 to \$47,568 or from \$17.65 to \$19.65 per square foot of building area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted 10 equity comparables for the Board's consideration. The Board gives less weight to appellant comparables #1 through #4 and #6 which are located greater than one mile from the subject, have a garage amenity and/or feature a finished basement unlike the subject. The Board gives less weight to board of review comparables #1, #3 and #4 which differ from the subject in age, foundation type, finished basement and/or garage amenity.

The Board finds the best evidence of assessment equity to be appellant comparable #5 and board of review comparable #2 which are more similar to the subject in location, design, building size and features. These two comparables have improvement assessments of \$32,677 and \$38,835 or \$13.62 and \$17.65 per square foot of building area. The subject's improvement assessment of \$37,196 or \$17.43 per square foot of building area is bracketed by the two best comparables in this record. After considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
