

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jake Doman
DOCKET NO.: 21-31095.001-R-1
PARCEL NO.: 17-06-436-004-0000

The parties of record before the Property Tax Appeal Board are Jake Doman, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$21,700
IMPR.: \$52,300
TOTAL: \$74,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story multi-family building of masonry exterior construction with 2,860 square feet of building area. The building is approximately 128 years old and features an unfinished basement. The property has an approximately 3,100 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on August 3, 2020 for a price of \$740,000. The appellant completed Section IV – Recent Sale Data disclosing the transaction was not between family members or related corporations, that the subject was sold with help from a Realtor and was advertised in the Multiple Listing Service (MLS). The appellant submitted a copy of the subject's MLS sheet which reported the property was originally listed for \$800,000 and was on the market for a period of 126 days. The settlement statement submitted

by the appellant reported commissions were paid to real estate agents. The appellant also submitted a copy of the PTAX-203 Real Estate Transfer Declaration associated with the subject's sale which reiterated the sale date, sale price and disclosed the property had been advertised for sale. Based on this evidence, the appellant requested the subject's assessment be reduced to reflect the purchase price when applying the level of assessment for class 2 property of 10%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$79,758. The subject's assessment reflects a market value of \$797,580 or \$278.87 per square foot of building area, land included, when using the level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in the same assessment neighborhood code as the subject property. The comparables have sites that range in size from 2,472 to 3,125 and are improved with 2-story class 2-11 buildings of masonry exterior construction ranging in size from 2,560 to 3,150 square feet of building area. The buildings range in age from 126 to 131 years old. One comparable has an unfinished basement and three properties have concrete slab foundations. One building has a fireplace and one comparable has a 2-car garage. The comparables sold from December 2018 to December 2021 for prices ranging from \$748,500 to \$830,000 or from \$237.62 to \$299.76 per square foot of building area, land included.

The board of review's grid analysis also disclosed the subject property sold in 2020 for a price of \$740,000. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in August 2020 for a price of \$740,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised in the Multiple Listing Service and that it had been on the market for 126 days. In further support of the transaction the appellant submitted a copy of the settlement statement, the PTAX-203 Illinois Real Estate Transfer Declaration and the MLS sheet on the subject property. The Board finds the purchase price is below the market value reflected by the assessment.

The Board further finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$740,000 as of January 1, 2021. Since market value has been determined the level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2)

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
