

**AMENDED FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: My Kind of Town Properties, LLC  
DOCKET NO.: 21-31130.001-R-1  
PARCEL NO.: 17-21-317-024-0000

The parties of record before the Property Tax Appeal Board are My Kind of Town Properties, LLC, the appellant, by attorney Don Rubin, of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,696  
**IMPR.:** \$40,304  
**TOTAL:** \$47,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story building of masonry exterior construction with 2,600 square feet of living area.<sup>1</sup> The dwelling is 143 years old and features a concrete slab foundation. The property has a 2,232 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables located within the subject's assessment neighborhood and located from 1.5 to 2.4 miles from the subject. The comparables consist of 2-story class 2-11 buildings of frame exterior

<sup>1</sup> Although the parties both reported the subject to be of frame construction, the Board finds that the photographic evidence submitted by the appellant shows a masonry constructed building.

construction ranging in size from 2,604 to 2,976 square feet of gross building area. The buildings range in age from 130 to 145 years old. One comparable has a 1.5-car garage. The comparables have improvement assessments ranging from \$21,664 to \$28,500 or from \$8.32 to \$10.05 per square foot of gross building area. Based on this evidence, the appellant requested a reduced improvement assessment of \$24,388 or \$9.38 per square foot of gross building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$47,000. The subject property has an improvement assessment of \$40,304 or \$15.50 per square foot of gross building area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the subject's assessment neighborhood and within .25 of a mile of the subject. The comparables consist of 2-story class 2-11 buildings of frame exterior construction ranging in size from 2,240 to 2,520 square feet of gross building area. The buildings are 128 to 153 years old. One comparable has a full basement and three comparables each have either a crawl-space or concrete slab foundation. One comparable has a 2-car garage. The comparables have improvement assessments ranging from \$36,221 to \$39,079 or from \$15.51 to \$16.17 per square foot of gross building area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the comparables submitted by the appellant, which are located less proximate to the subject than the other comparables in the record. The Board also gives less weight to board of review comparables #1 and #3, which feature a full basement or a garage unlike the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #2 and #4, which are similar to the subject in age, location, building size, and features. These comparables have improvement assessments of \$36,221 and \$37,656 or \$15.69 and \$16.17 per square foot of gross building area. The subject's improvement assessment of \$40,304 or \$15.50 per square foot of gross building area is above the two best comparables in this record overall and falls below the comparables on a per-square-foot basis, which the Board finds logical given the subject's larger building in relation to the two best comparables. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's

improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
