Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2021. The Property Tax Appeal Board (the “Board”) finds that it has jurisdiction over the parties and the subject matter of this appeal.

Findings of Fact

The subject consists of a one and one-half-story single-family dwelling of frame construction with 1,050 square feet of living area. The dwelling is 89 years old. Features of the home include a crawl and a fireplace. The property is located in Barrington Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The subject property was the subject matter of an appeal before the Board in 2019 under docket number 19-38569. In that appeal, the Board rendered a decision lowering the subject’s assessment to \$246,873. The appellant requests that the subject’s assessment for tax year 2019 as determined by the Board be carried forward to the instant tax year of 2021 based on section 16-185 of the Property Tax Code. In Section II of the appeal form, the appellant stated that the

subject is owner-occupied. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$246,243.

The board of review submitted its "Board of Review Notes on Appeal" disclosing that the total assessment for the subject is \$302,214.

In support of its contention of the correct assessment, the board of review submitted information on two equity comparables, and two sale comparables.

In rebuttal, the appellant argued that the board of review's comparables were not similar to the subject for various reasons.

Conclusion of Law

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Board for tax year 2019 should be carried forward to the instant tax year pursuant to section 16-185 of the Property Tax Code. When a contention of law is raised, the burden of proof is a preponderance of the evidence. 5 ILCS 100/10-15. The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the assessment as established by the Board for tax year 2019 should be carried forward to the instant tax year subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's-length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. The Board takes official notice that it issued a decision lowering the subject's assessment for tax year 2019 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2019 and the instant tax year of 2021 are in the same general assessment period for Barrington Township. Cook County, Ill., Code of Ordinances §§ 74-31 and 74-32(2). The Board further finds that the subject is owner-occupied based on the appellant's statement in Section II of the appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction after the Board's 2019 decision, or that the Board's 2019 decision was reversed or modified upon review. For these reasons, the Board finds that the appellant has proven, by a preponderance of the evidence, that the subject's assessment should be carried forward, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's 2019 decision, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
