

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: S. Pierruccini
DOCKET NO.: 21-31668.001-R-1
PARCEL NO.: 14-19-110-023-0000

The parties of record before the Property Tax Appeal Board are S. Pierruccini, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,600
IMPR.: \$0
TOTAL: \$18,600

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an owner-occupied vacant lot with 3,720 square feet of area. The property is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-41 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. The comparables all included class 2-41 lots similar to the subject, located within an 1/8 of a mile of the subject. The improvements were all \$5.00 per square foot and ranged in size from 3,050 to 3,750 square feet. Based on this evidence, the appellant requested an assessment of \$18,600.

This matter was the subject of a hearing before the Board during which the appellant stated Western Avenue was the dividing line between two different townships and although his

comparables submitted were located West of Western Avenue in a different township they were physically closer to the subject property than those submitted by the board of review.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$46,500. The subject is currently assessed at \$12.50 per square foot. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. The comparables were all \$12.50 per square foot and ranged in size from 3,562 to 3,750 square feet. The board of review stated all of their comparables were located in the same neighborhood as the subject with comparables #1, #2, and #3 being located within a ¼ mile radius from the subject's location and comparable #4 being located within a 1-mile radius of its location.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of assessment equity to be *appellant comparables #1, #2, and #4*. These comparables were given greater weight due to their proximity to the subject. These comparables had improvement assessments that were all \$5.00 per square foot of living area. The subject's improvement assessment of \$12.50 per square foot of living area falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant *did* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
