

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ruben Flores
DOCKET NO.: 21-32570.001-R-1
PARCEL NO.: 13-25-308-019-0000

The parties of record before the Property Tax Appeal Board are Ruben Flores, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$25,025
IMPR.: \$70,810
TOTAL: \$95,835

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 3-story building of masonry construction with 4,860 square feet of building area. The building is approximately 115 years old. Features include a full basement apartment and a 2-car garage.¹ The property has a 5,005 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument the appellant submitted information on four comparable properties located within the same neighborhood code as the subject. The comparables are improved with class 2-11 buildings of masonry construction ranging in size from 4,577 to 5,106 square feet of building area. The buildings range in age from 114 to 117

¹ The board of review reports the subject has a basement apartment, which was not refuted by the appellant.

years old and have full basements. The appellant did not disclose whether the comparables have unfinished basements or have finished basement area. One comparable has two fireplaces and a 2-car garage. The comparables have improvement assessments ranging from \$51,590 to \$64,750 or from \$10.77 to \$12.80 per square foot of building area.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$95,835. The subject property has an improvement assessment of \$70,810 or \$14.57 per square foot of building area.

In support of its contention of the correct assessment the board of review submitted information on four comparable properties located within the same neighborhood code as the subject. The comparables are improved with class 2-11 buildings of masonry construction ranging in size from 3,504 to 4,174 square feet of building area. The buildings range in age from 113 to 126 years old and have full basements, one of which is a finished apartment. One comparable has central air conditioning, one comparable has a fireplace, and three comparables have from a 1-car to a 2.5-car garage. The comparables have improvement assessments ranging from \$57,700 to \$67,470 or from \$14.08 to \$17.54 per square foot of building area.

Based on this evidence the board of review requested confirmation of the subject's assessment.

The appellant submitted rebuttal arguing the board of review's comparables have smaller buildings when compared to the subject.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables. These comparables have varying degrees of similarity to the subject. However, the appellant failed to disclose whether the comparables have basement apartments when compared to the subject. Additionally, three of the appellant's comparables lack a garage when compared to the subject. Nevertheless, the best comparables have improvement assessments ranging from \$51,590 to \$64,750 or from \$10.77 to \$12.80 per square foot of building area. The subject's improvement assessment of \$70,810 or \$14.57 per square foot of building area falls above the range established by the best comparables in this record. However, after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's higher improvement assessment is justified. The Board gave less weight to the board of review's comparables, due to their smaller buildings when compared to the subject. Based on this record

the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
