

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jenny-Mai Nguyen & Gaetano Grimaldi
DOCKET NO.: 21-34912.001-R-1
PARCEL NO.: 14-31-121-010-0000

The parties of record before the Property Tax Appeal Board are Jenny-Mai Nguyen & Gaetano Grimaldi, the appellant(s), by attorney Jennifer Kanik, of the Law Offices of Terrence Kennedy Jr. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,600
IMPR.: \$122,400
TOTAL: \$142,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2,800 square foot parcel of land improved with a two-year-old, two-story, masonry, single-family dwelling containing 2,464 square feet of building area. The property is located in Chicago, West Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation and inequity as the bases of the appeal. In support of the market value argument, appellant submitted a copy of the settlement statement which disclosed the subject was purchased on June 9, 2020, for \$1,498,939. The settlement statement listed commissions to realty companies. The appellant failed to complete section IV of the petition. The petitions discloses that the subject is not an owner-occupied residence. The appellant included an "Assessment Ratios 2021" list for all Illinois counties and argued the use of a 7.34% level of assessment.

In support of the equity argument, the appellant submitted five comparables. These comparables are described as two-story, masonry or frame and masonry, single-family dwellings. They range: in age from 10 to 30 years; in size from 2,071 to 2,902 square feet of building area; and in improvement assessment from \$27.91 to \$35.00 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$142,000 which reflects a market value of \$1,420,000 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the current assessment, the board of review submitted information on three comparables. These properties are described as two-story, masonry, single-family dwellings. They range: in age from four to 16 years; in size from 2,160 to 2,317 square feet; and in improvement assessment from \$40.52 to \$61.20 per square foot of building area. They sold from June to November 2021 for prices ranging from \$684.21 to \$706.02 per square foot of building area. The board of review also listed the sale of the subject in July 2020 for \$1,498,939.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in June 2020 for a price of \$1,498,939. The appellant submitted evidence of the sale of the subject and the board of review did not show the sale was not at arm's-length but included the sale in its own evidence. Based on this record the Board finds the subject property had a market value of \$1,498,939 as of the lien date. The Board gives no weight to the appellant's level of assessment argument as the evidence was insufficient. The Board finds the assessment supports this sale price and the appellant failed to show by a preponderance of the evidence that the subject was overvalued and a reduction based on market value is not warranted.

The taxpayer also contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity to be the appellant's comparables #2 and #6 and the board of review's comparables #2 and #3. The remaining comparables were given less weight due to differences in age and/or size. These comparables had improvement assessments ranging from \$30.15 to \$55.09 per square foot of building area. In comparison the

subject's improvement assessment of \$49.68 per square foot of building area is within the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvements is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
