

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ron She
DOCKET NO.: 21-34981.001-R-1
PARCEL NO.: 17-08-112-013-0000

The parties of record before the Property Tax Appeal Board are Ron She, the appellant(s), by attorney Marie Mactal, of the Law Offices of Terrence Kennedy Jr. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,750
IMPR.: \$80,476
TOTAL: \$99,226

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160), challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 4,650 square foot parcel of land improved with two two-story, masonry, multi-family dwellings. Improvement #1 is 132-years old and contains 1,680 square feet of building area, while improvement #2 is 132-years old and contains 1,404 square feet of building area. The property is located in Chicago, West Chicago Township, Cook County, and is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity for improvement #1 as the basis of the appeal. In support of this argument, the appellant submitted data on five suggested comparables. These comparables are described as either frame or frame and masonry multi-family dwellings. They range: in age from 3 to 152 years; in size from 1,836 to 2,009 square feet of building area; and in improvement assessment from \$18.13 to \$21.83 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal," disclosing the subject's assessment of \$99,227 with an allocated improvement assessment for improvement #1 of \$31,580 or \$18.79 per square foot of building area and an allocated improvement assessment for improvement #2 of \$48,897 or \$34.82 per square foot of building area.

In support of the current assessment, the board of review submitted data on seven suggested comparables for each improvement. Improvement #1's comparables are described as two-story, masonry or frame, multi-family dwellings. They range: in age from 126 to 153 years; in size from 1,650 to 1,720 square feet of building area; and in improvement assessment from \$23.64 to \$29.18 per square foot of building area. Improvement #2's comparables are described as two-story, frame or masonry, multi-family dwellings. They range: in age from 108 to 133 years; in size from 1,302 to 1,650 square feet of building area; and in improvement assessment from \$29.18 to \$76.46 per square foot of building area.

Conclusion of Law

The taxpayer contends assessment inequity for improvement #1 as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity for improvement #1 to be the board of review's comparables #1, #2,#3, and #4. These four comparables had improvement assessments ranging from \$23.64 to \$29.18 per square foot of building area. The remaining comparables were given less weight due to differences in size. In comparison, the subject's improvement #1 allocated assessment of \$18.79 per square foot of building area is below the range of the best comparables in this record. The best comparables for improvement #2 are the board of review comparables #5, #6, and #7. The Board further finds that improvement #2 is assessed within the range of the best comparables. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvements is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
