

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mel Dermody
DOCKET NO.: 21-35043.001-R-1
PARCEL NO.: 17-20-420-019-0000

The parties of record before the Property Tax Appeal Board are Mel Dermody, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,500
IMPR.: \$28,500
TOTAL: \$36,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story, multi-family building of frame exterior construction with 1,520 square feet of gross building area. The building is approximately 133 years old. Features include a slab foundation and two full bathrooms. The property has a 2,500 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information, including property characteristics printouts from the Cook County Assessor's office which were analyzed to verify/update data in the Section V grid analysis, on nine equity comparables with the same assessment neighborhood code as the subject property. The comparables are improved with 2-

story, class 2-11 multi-family buildings of wood or wood and masonry exterior construction ranging in size from 1,344 to 1,940 square feet of gross building area. The buildings range in age from 128 to 154 years old. Four comparables each have a full basement and five comparables each have a slab foundation. Each comparable has two full bathrooms. Three comparables each have a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$16,606 to \$32,500 or from \$10.70 to \$17.84 per square foot of gross building area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$22,346 or \$14.70 per square foot of gross building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$36,000. The subject property has an improvement assessment of \$28,500 or \$18.75 per square foot of gross building area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables with the same assessment neighborhood code as the subject property and located on the same block or a ¼ mile of the subject. The comparables are improved with 2-story, class 2-11 multi-family buildings of frame exterior construction ranging in size from 1,320 to 1,480 square feet of gross building area. The buildings range in age from 127 to 143 years old. Each comparable has a slab foundation and either one or two full bathrooms. Two comparables each have a 1-car garage. The comparables have improvement assessments ranging from \$27,800 to \$32,000 or from \$20.72 to \$22.50 per square foot of gross building area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted thirteen suggested comparables for the Board's consideration. The appellant's comparables and board of review comparables #2 and #3 were accorded diminished weight due to differences from the subject in gross building size and/or foundation type and/or garage amenity.

The Board finds the best evidence of assessment equity to be board of review comparables #1 and #4 which are overall more similar to the subject in location, design/class, age, and gross building size with varying degrees of similarity in bathroom count and other features. The two best comparables have improvement assessments of \$30,500 and \$32,000 or \$20.72 and \$21.62 per square foot of gross building area, respectively. The subject property's improvement assessment of \$28,500 or \$18.75 per square foot of gross building area falls below the two best comparables in this record. After considering adjustments to the two best comparables for differences when compared to the subject, the Board finds the subject's improvement was supported and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
