

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dioselina Hernandez
DOCKET NO.: 21-35047.001-R-1
PARCEL NO.: 16-26-428-009-0000

The parties of record before the Property Tax Appeal Board are Dioselina Hernandez, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,671
IMPR.: \$12,542
TOTAL: \$16,213

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story, multi-family building of frame exterior construction with 2,167 square feet of gross building area. The building is approximately 10 years old. Features include a slab foundation, central air conditioning, and a 2.5-car garage. The property has a 3,125 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information, including property characteristic printouts, on nine comparables that are located in the subject's assessment neighborhood code. The comparables are improved with 2-story, class 2-11 multi-family buildings of wood, masonry, or wood and masonry exterior construction ranging in size from

1,672 to 2,100 square feet of gross building area. The buildings range in age from 121 to 134 years old. Two comparables each have a full basement finished with an apartment and seven comparables each have a slab foundation. One comparable has one fireplace. Five comparables each have a 2-car garage. The comparables have improvement assessments ranging from \$2,900 to \$6,328 or from \$1.38 to \$3.78 per square foot of gross building area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$5,744 or \$2.65 per square foot of gross building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$16,213. The subject property has an improvement assessment of \$12,542 or \$5.79 per square foot of gross building area.

In support of its contention of the correct assessment, the board of review submitted information on four comparables that are located in the subject's assessment neighborhood code. The comparables are improved with 2-story, class 2-11 multi-family buildings of frame or masonry exterior construction ranging in size from 1,922 to 2,528 square feet of gross building area. The buildings range in age from 22 to 31 years old. The comparables each have a full or partial basement finished with an apartment. Three comparables each have central air conditioning. The comparables have improvement assessments ranging from \$14,330 to \$16,357 or from \$6.47 to \$7.46 per square foot of gross building area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted thirteen suggested comparables for the Board's consideration. The Board finds the best evidence of assessment equity to be the board of review comparables #1, #2, and #3 which are similar to the subject in location, design, and gross building size with varying degrees of similarity in age, foundation type, garage amenity, and other features suggesting appropriate adjustments for these differences would be necessary to make them more equivalent to the subject. Nevertheless, the best comparables have improvement assessments ranging from \$14,330 to \$16,211 or from \$6.58 to \$7.46 per square foot of gross building area. The subject's improvement assessment of \$12,542 or \$5.79 per square foot of gross building area falls below the range established by the best comparables in this record. The parties' remaining comparables were accorded diminished weight due to disparities from the subject in age and/or gross building size. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
