

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Paravarakath
DOCKET NO.: 21-35174.001-R-1
PARCEL NO.: 09-30-407-019-0000

The parties of record before the Property Tax Appeal Board are Thomas Paravarakath, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,508
IMPR.: \$16,234
TOTAL: \$24,742

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of frame and masonry exterior construction with 1,536 square feet of living area. The dwelling is approximately 42 years old. Features of the home include a basement, 2 full and 1 half bathrooms, a fireplace and a 2-car garage.¹ The property has a 10,010 square foot site and is located in Des Plaines, Maine Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five comparables located within the subject's assessment neighborhood and from 0.05 of a mile to 1.74 miles of

¹ The Board finds the best description of the subject property was found in the board of review's grid analysis, which was unrefuted by the appellant.

the subject. The comparables consist of class 2-34, multi-level dwellings of frame and masonry exterior construction ranging in size from 1,251 to 1,520 square feet of living area. The homes are 35 to 63 years old. Each comparable has a basement, 1 or 2 full bathrooms and 1 or 2 fireplaces. Three comparables each have 1 half bathroom and central air conditioning, and four comparables have a 2-car or a 3-car garage. The comparables have improvement assessments ranging from \$9,241 to \$11,766 or from \$6.82 to \$9.41 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$24,742. The subject property has an improvement assessment of \$16,234 or \$10.57 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four comparables located within the subject's assessment neighborhood and approximately ¼ of a mile from the subject. The comparables consist of class 2-34, multi-level dwellings of frame and masonry exterior construction ranging in size from 1,282 to 1,485 square feet of living area. The homes are 33 to 45 years old. Each comparable has a basement and a 2-car garage. Three comparables each have central air conditioning, and two comparables each have a fireplace. The comparables have improvement assessments ranging from \$15,245 to \$19,677 or from \$11.48 to \$15.35 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties provided nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #3 due to differences from the subject in their proximity of over 1½ miles from the subject property, the dwellings' older ages and/or lack a garage amenity, a feature of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #4 and #5 as well as the board of review's comparables. These comparables are relatively similar to the subject in location, design, age, dwelling size and garage amenity, but have varying degrees of similarity to the subject in other features. These six comparables have improvement assessments ranging from \$11,487 to \$19,677 or from \$8.88 to \$15.35 per square foot of living area. The subject's improvement assessment of \$16,234 or \$10.57 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
