

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nicholas Levas
DOCKET NO.: 21-35247.001-R-1
PARCEL NO.: 09-20-408-027-0000

The parties of record before the Property Tax Appeal Board are Nicholas Levas, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,335
IMPR.: \$38,793
TOTAL: \$49,128

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.¹

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 2,895 square feet of living area. The dwelling is approximately 10 years old. Features of the home include a basement, central air conditioning, a fireplace, and a 2-car garage. The property has a 15,900 square foot site and is located in Des Plaines, Maine Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located within the subject's assessment neighborhood and from .23 of a mile to 1.37

¹ The appellant waived the hearing request and requested to have the appeal decided on the written record without objection from the board of review.

miles from the subject. The comparables consist of 2-story class 2-78 dwellings of frame and masonry exterior construction ranging in size from 2,491 to 2,658 square feet of living area. The homes range in age from 17 to 29 years old. Each dwelling has central air conditioning, a fireplace, and a 2-car garage. Two comparables have basements with finished area and one comparable has a concrete slab foundation. The comparables have improvement assessments ranging from \$26,582 to \$31,760 or from \$10.54 to \$11.95 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$32,858 or \$11.35 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$49,128. The subject property has an improvement assessment of \$38,793 or \$13.40 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables, two of which are located within the subject's assessment neighborhood and within the same block as the subject. The comparables consist of 2-story class 2-78 dwellings of frame and masonry exterior construction ranging in size from 2,680 to 3,397 square feet of living area. The homes range from 19 to 61 years old. Each dwelling has central air conditioning, one or two fireplaces, a full basement, and a 2-car, 2.5-car, or 3-car garage. The board of review reported that comparable #2 has "other improvements," which were not further described. The comparables have improvement assessments ranging from \$48,782 to \$53,582 or from \$14.40 to \$18.30 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables #2 and #3, as well as board of review comparables #1, #3, and #4, which differ from the subject in age, dwelling size, and/or foundation.

The Board finds the best evidence of assessment equity to be the appellant's comparable #1 and board of review comparable #2, which are similar to the subject in age, location, dwelling size, and some features. These comparables have improvement assessments of \$26,582 and \$51,321 or \$10.54 and \$15.51 per square foot of living area. The subject's improvement assessment of \$38,793 or \$13.40 per square foot of living area is bracketed by the two best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and

convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
