

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Srdjan Gazivoda
DOCKET NO.: 21-35302.001-R-1
PARCEL NO.: 12-25-423-036-0000

The parties of record before the Property Tax Appeal Board are Srdjan Gazivoda, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,515
IMPR.: \$32,161
TOTAL: \$35,676

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story multi-family building of masonry exterior construction with 3,542 square feet of gross building area. The building is approximately 59 years old. Features of the building include a full basement with finished area and 3 full bathrooms. The property has a 3,906 square foot site and is located in Elmwood Park, Leyden Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five comparables located within the subject's assessment neighborhood and within 0.62 of a mile from the subject. The comparables consist of class 2-11, 2-story or 3-story multi-family buildings of masonry exterior construction ranging in size from 3,960 to 4,233 square feet of gross building area. The

buildings are from 43 to 66 years old. Each comparable has a full basement with finished area, and from 3 or 6 full bathrooms with two having 2 half bathrooms. Two comparables each have central air conditioning, and four comparables have either a 2-car or a 2½-car garage. The comparables have improvement assessments that range from \$29,898 to \$32,130 or from \$7.38 to \$7.77 per square foot of gross building area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$35,676. The subject property has an improvement assessment of \$32,161 or \$9.08 per square foot of gross building area.

In support of its contention of the correct assessment the board of review submitted information on four comparables located within the subject's assessment neighborhood and the subject's block or approximately ¼ of a mile from the subject. The comparables consist of class 2-11, 2-story multi-family buildings of masonry exterior construction ranging in size from 2,795 to 3,485 square feet of gross building area. The buildings are from 47 to 63 years old. Each comparable has a full basement with finished area, 3 full bathrooms with one having 1 half bathroom, and either a 2-car or a 2½-car garage. One comparable has central air conditioning. The comparables have improvement assessments that range from \$29,571 to \$33,193 or from \$9.52 to \$11.12 per square foot of gross building area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #4 and the board of review comparables #2 and #4 which are less similar to the subject in age and/or building size than the other comparables in the record.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables. These comparables are overall most similar to the subject in location, design, age and building size with varying degrees of similarity to the subject in other features. These four comparables have improvement assessments that range from \$29,898 to \$33,193 or from \$7.55 to \$10.61 per square foot of gross building area. The subject's improvement assessment of \$32,161 or \$9.08 per square foot of gross building area falls within the range established the best comparables in the record. After considering the adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and

convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
