

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Julian Cheng  
DOCKET NO.: 21-36686.001-R-1  
PARCEL NO.: 04-35-302-019-0000

The parties of record before the Property Tax Appeal Board are Julian Cheng, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$10,781  
**IMPR.:** \$55,719  
**TOTAL:** \$66,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of an 8,801 square foot parcel of land improved with a 59-year-old, two-story, frame and masonry, multi-family dwelling containing 3,662 square feet of building area. The property is located in Glenview, Northfield Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, appellant submitted a copy of the settlement statement which disclosed the subject was purchased on May 6, 2021, for \$665,000. The settlement statement included commissions to realty companies. The petition discloses that the transfer was not between related parties, that the property was sold using a realtor, was listed on the multiple listing database, and that the property was not sold due to a foreclosure or for a contract for deed.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$81,297 with an improvement assessment of \$70,516 or \$19.26 per square foot of building area.

In support of the current assessment, the board of review submitted data on four suggested comparables. These comparables are described as one or two-story, masonry or frame and masonry, multi-family dwellings. They range: in age from 43 to 59 years; in size from 4,928 to 6,393 square feet of building area; and in improvement assessment from \$8.03 to \$12.77 per square foot of building area.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of market value to be the purchase of the subject property in May 2021 for a price of \$665,000. The appellant submitted evidence of the sale of the subject and the board of review did not show the sale was not at arm's-length. In addition, the settlement statement includes a realty commissions. Based on this record the Board finds the subject property had a market value of \$665,000 as of the lien date. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
