

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Van Nortwick
DOCKET NO.: 21-36833.001-R-1
PARCEL NO.: 14-20-115-028-0000

The parties of record before the Property Tax Appeal Board are James Van Nortwick, the appellant, by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$54,450
IMPR.: \$109,530
TOTAL: \$163,980

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 3,133 square feet of living area. The dwelling is approximately 106 years old. Features of the home include a partial basement with finished area, central air conditioning, a fireplace, and a 2-car garage.¹ The property has a 3,630 square foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity

comparables located within the subject's assessment neighborhood.² The comparables consist of 2-story or 3-story class 2-06 dwellings of frame, masonry, or frame and masonry exterior construction ranging in size from 3,007 to 3,394 square feet of living area. The homes are 116 to 130 years old. Three dwellings each have a basement foundation with one having finished area, three comparables have central air conditioning, and four comparables each have one or two fireplaces. Four comparables each have either a 1.5-car or 3.5-car garage and three comparables each have finished attic space. The comparables have improvement assessments ranging from \$61,125 to \$70,025 or from \$19.85 to \$20.76 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$64,132 or \$20.47 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$163,980. The subject property has an improvement assessment of \$109,530 or \$34.96 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the subject's assessment neighborhood. The comparables consist of 2-story or 3-story class 2-06 dwellings of masonry exterior construction ranging in size from 3,019 to 3,194 square feet of living area. The homes are 108 to 123 years old. Each dwelling has one to three fireplaces, a basement with finished area, and either a 2-car or 3-car garage. Three comparables have central air conditioning. The comparables have improvement assessments ranging from \$92,700 to \$154,431 or from \$29.02 to \$49.18 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables #1 through #4, as well as board of review comparable #4, which lack a garage, central air conditioning, and/or a basement foundation, features of the subject. The Board also gives less weight to appellant comparable #5 and board of review comparable #2, which differ from the subject in design.

The Board finds the best evidence of assessment equity to be the board of review comparables #1 and #3, which are similar to the subject in age, design, dwelling size, and features. These

comparables have improvement assessments of \$113,575 and \$154,431 or \$37.62 and \$49.18 per square foot of living area. The subject's improvement assessment of \$109,530 or \$34.96 per square foot of living area falls below the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
