

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daniel Koutris
DOCKET NO.: 21-37914.001-R-1
PARCEL NO.: 03-20-212-030-0000

The parties of record before the Property Tax Appeal Board are Daniel Koutris, the appellant, by Amy C. Floyd, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,360
IMPR.: \$35,228
TOTAL: \$41,588

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 3,107 square feet of living area. The dwelling is approximately 33 years old. Features of the home include a full basement with finished area,¹ central air conditioning, one fireplace, and a 2-car garage. The property has a 10,177 square foot site and is located in Arlington Heights, Wheeling Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four comparables located within the same assessment neighborhood code as the subject. The comparables consist of class 2-78, 2-story dwellings of frame, masonry or frame and masonry exterior construction

¹ The board of review disclosed the subject has a full basement with finished area, which was unrefuted by the appellant.

ranging in size from 2,696 to 3,002 square feet of living area. The dwellings are from 26 to 36 years old. The comparables were reported to have a full or partial basement, but no data was provided if the basements have finished area. Each comparable has central air conditioning and one fireplace. The exterior photographs provided by the appellant depict at least three comparables each have a garage. The comparables have improvement assessments ranging from \$23,252 to \$30,183 or from \$7.75 to \$10.48 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$27,994 or \$9.01 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$41,588. The subject property has an improvement assessment of \$35,288 or \$11.34 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four comparables located within the same assessment neighborhood code and on the same block as the subject. The comparables consist of class 2-78, 2-story dwellings of frame or frame and masonry exterior construction ranging in size from 3,042 to 3,229 square feet of living area. The dwellings are from 21 to 33 years old. Each comparable has a full or partial unfinished basement, central air conditioning, one fireplace and either a 2-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$35,120 to \$38,433 or from \$11.42 to \$11.90 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparable #2 and board of review comparable #4 which differ from the subject in dwelling size or age.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are similar to the subject in location, design, dwelling size, age, and most features. These six comparables have improvement assessments ranging from \$23,252 to \$35,663 or from \$7.75 to \$11.55 per square foot of living area. The subject's improvement assessment of \$35,288 or \$11.34 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject, such as lack of basement finish, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
