

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Young
DOCKET NO.: 21-38236.001-R-1
PARCEL NO.: 04-08-202-027-0000

The parties of record before the Property Tax Appeal Board are John Young, the appellant, by attorney Spiro G. Zarkos, of Verros Berkshire, PC in Oakbrook Terrace; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,584
IMPR.: \$35,965
TOTAL: \$52,549

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 2,801 square feet of living area. The home is approximately 55 years old. Features include a partial basement, one fireplace, and a 2-car garage. The property has a 12,757 square foot site and is located in Northbrook, Northfield Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that are located in the subject's assessment neighborhood code. The comparables are improved with class 2-78 dwellings of masonry or frame and masonry exterior construction ranging in size from 2,688 to 2,915 square feet of living area. The homes range in age from 43 to 60 years old. The comparables each have a full or partial basement, central air conditioning,

either one or two fireplaces, and either a 1.5-car or a 2-car garage. The comparables have improvement assessments ranging from \$22,306 to \$26,280 or from \$8.27 to \$9.06 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$24,341 or \$8.69 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$52,549. The subject property has an improvement assessment of \$35,965 or \$12.84 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located in the subject's assessment neighborhood code. Each comparable is also located on the same block as the subject; one of which is also on the same street. The comparables are improved with 2-story, class 2-78 dwellings of frame or frame and masonry exterior construction ranging in size from 2,678 to 2,906 square feet of living area. The homes are either 55 or 56 years old. The comparables each have a full or partial basement, two of which have finished area. Two comparables each have central air conditioning. Each comparable has either one or two fireplace and a 2-car garage. The comparables have improvement assessments ranging from \$37,809 to \$41,476 or from \$13.03 to \$15.49 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #3, and #4 as well as board of review comparables #2 and #3 which overall more similar to the subject in location, design, age, dwelling size, and most features. These comparables have improvement assessments ranging from \$22,306 to \$38,370 or from \$8.27 to \$13.70 per square foot of living area. The subject's improvement assessment of \$35,965 or \$12.84 per square foot of living area falls within the range established by the best comparables in this record and is well supported as it falls below board of review comparable #2 which is identical to the subject in age, dwelling, size, and most features and has an improvement assessment of \$38,370 or \$13.70 per square foot of living area. The Board gives less weight to the appellant's comparable #2 as well as board of review comparables #1 and #4 which are less similar to the subject in age than the other comparables in this record or have basement finish, unlike the subject. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the subject's improvement is supported and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
