

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Vernon Schleyer
DOCKET NO.: 21-38279.001-R-1
PARCEL NO.: 16-01-302-020-0000

The parties of record before the Property Tax Appeal Board are Vernon Schleyer, the appellant(s), by attorney Max E. Callahan, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,392
IMPR.: \$51,608
TOTAL: \$65,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an approximately 2,976 square foot parcel of land improved with an approximately 116-year-old, masonry, multi-family dwelling and a one-story, masonry single-family dwelling containing a total of 2,818 square feet of building area. The property is located in Chicago, West Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, appellant submitted copies of the sales contract and settlement statement which disclosed the subject was purchased on August 18, 2021, for \$650,000. The settlement statement included commissions to a realty company. The petition discloses that the transfer was not between related parties, that the property was sold using a realtor and listed on the multiple listing database, and that the property was not sold due to a foreclosure or for a contract for deed. The

appellant also submitted an appraisal which estimated the subject's market value as of January 1, 2021, of \$630,000. The appraiser utilized the income and sales comparison approaches to value to estimate the subject's market value. The petition discloses the subject is an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the assessment of \$90,000 which reflects a market value of \$990,000 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the current assessment, the board of review submitted limited information on three comparables with sales information on two. These two properties sold in October 2020 and March 2021 for prices ranging of \$540,000 and \$545,000, respectively. The board of review also listed the sale of the subject in September 2021 for \$650,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in August 2021 for a price of \$650,000. The appellant submitted evidence of the sale of the subject and the board of review did not show the sale was not at arm's-length. In addition, the settlement statement includes a realty commissions. Based on this record the Board finds the subject property had a market value of \$650,000 as of the lien date. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
