

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lenahan-Goodwin
DOCKET NO.: 21-38401.001-R-1
PARCEL NO.: 14-19-122-009-0000

The parties of record before the Property Tax Appeal Board are Lenahan-Goodwin, the appellant, by attorney Joanne Elliott, of Elliott & Associates Attorneys, PLLC in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$39,063
IMPR.: \$62,836
TOTAL: \$101,899

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,732 square feet of living area. The dwelling is 17 years old. Features of the home include a full basement with finished area, central air conditioning, two fireplaces, and a 2-car garage.¹ The property has a 3,125 square foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on eight equity comparables located within .73 of a mile of the subject and within the subject's assessment

¹ The board of review disclosed the subject has finished basement area, which was not refuted by the appellant in rebuttal.

neighborhood. The comparables consist of 2-story class 2-78 dwellings of frame or masonry exterior construction ranging in size from 2,468 to 2,959 square feet of living area. The homes are 3 to 23 years old. Each dwelling has central air conditioning and a basement. Five comparables each have from one to four fireplaces and seven comparables each have either a 2-car or 3-car garage. The comparables have improvement assessments ranging from \$49,500 to \$62,731 or from \$18.08 to \$22.65 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$57,426 or \$21.02 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$120,066. The subject property has an improvement assessment of \$81,004 or \$29.65 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within .25 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of 2-story class 2-78 dwellings of frame exterior construction ranging in size from 2,764 to 3,218 square feet of living area. The homes are either 7 or 10 years old. Each dwelling has a full basement with three having finished area. Three comparables have central air conditioning, three comparables each have either one or two fireplaces, and two comparables each have either a 2-car or 2.5-car garage. The comparables have improvement assessments ranging from \$102,625 to \$126,500 or from \$31.89 to \$40.61 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of 12 equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the comparables submitted by the board of review, which lack garages or differ from the subject in age and/or dwelling size. The Board also gives less weight to appellant comparables #5 and #8, which differ from the subject in age or lack a garage, a feature of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 through #4, #6 and #7, which are similar to the subject in age, location, dwelling size, and some features. These comparables have improvement assessments that range from \$49,500 to \$62,731 or from \$18.08 to \$22.63 per square foot of living area. The subject's improvement assessment of \$81,004 or \$29.65 per square foot of living area is above the range established by the best comparables in this record. Based on this record and after considering adjustments to the best

comparables for differences from the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
