

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Patricia Walker
DOCKET NO.: 21-38540.001-R-1
PARCEL NO.: 20-10-202-024-1002

The parties of record before the Property Tax Appeal Board are Patricia Walker, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,941
IMPR.: \$ 19,058
TOTAL: \$ 21,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2021. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

Findings of Fact

The subject consists of a condominium unit with a 33.46% ownership interest in the common elements. The property is located in Hyde Park Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three sale comparables. These sale comparables sold between October 2021 and August 2022 for \$129,000 to \$175,000. The appellant asserts that two of these sale comparables, #1 and #2, were located in the subject's condominium building. The Board notes that the first ten digits of the PINs for these two sale comparables are the same, but that they do not match the first 10 digits of the subject's PIN. Sale comparable #3 was not located in the subject's building. The percentage of ownership in the common elements was not disclosed for any of these three sale comparables. In Section II of the appeal form, the appellant

stated that the subject is owner-occupied. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$17,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing that the total assessment for the subject is \$21,999. The subject's assessment reflects a market value of \$219,990 when applying the 2021 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted evidence that the subject was purchased in January 2021 for \$219,990.

In rebuttal, the appellant reaffirmed the evidence previously submitted.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof, and a reduction in the subject's assessment is not warranted.

"Real property taxes . . . which are authorized by law to be assessed against and levied upon real property shall be assessed against and levied upon each unit and the owner's corresponding percentage of ownership in the common elements as a tract, and not upon the property as a whole." 765 ILCS 605/10(a).

As the section 10(a) of the Condominium Property Act, *id.*, states, real property taxes are levied based on the percentage of ownership in the common elements. The appellant did not disclose this information for any of the three sale comparables submitted. As such, the Board is unable to determine whether the subject is overvalued based on the evidence submitted by the appellant. Based on this record, the Board finds the appellant has not proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
