

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael & Mary Lyons
DOCKET NO.: 21-38758.001-R-1
PARCEL NO.: 18-06-108-009-0000

The parties of record before the Property Tax Appeal Board are Michael & Mary Lyons, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,250
IMPR.: \$57,875
TOTAL: \$66,125

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,370 square feet of living area. The dwelling is approximately 19 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace and a 2-car garage. The property has an approximately 7,500 square foot site and is located in Hinsdale, Lyons Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellants submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with class 2-78 dwellings of frame or frame and masonry exterior construction ranging in size from 2,256 to 2,679 square feet of living area. The homes range in

age from 32 to 60 years old. Each comparable has a basement, central air conditioning and a 2-car or a 2.5-car garage. Three dwellings each have one fireplace. The comparables have improvement assessments ranging from \$49,145 to \$59,927 or from \$21.78 to \$22.51 per square foot of living area. Based on this evidence, the appellants requested the subject's improvement assessment be reduced to \$52,496 or \$22.15 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$66,125. The subject property has an improvement assessment of \$57,875 or \$24.42 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code and within ¼ of a mile or in the subject's subarea. The comparables are improved with two-story class 2-78 dwellings of frame exterior construction ranging in size from 2,576 to 2,685 square feet of living area. The homes range in age from 12 to 19 years old. Each comparable has a basement, with two having finished area. Each dwelling has central air conditioning and a 2-car garage. Three homes each have one or two fireplaces. The comparables have improvement assessments ranging from \$68,957 to \$75,131 or from \$26.62 to \$29.17 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayers contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives less weight to each of the appellants' comparables which are from 13 to 41 years older in age when compared to the subject. The Board also gives less weight to board of review comparable #2 which is somewhat newer in age when compared to the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #3 and #4 which are more similar to the subject in location, age, design and most features. However, each of these properties has a dwelling size that is larger than the subject's, and one has a finished basement in contrast to the subject's unfinished basement suggesting downward adjustments are needed to make these properties more equivalent to the subject. These comparables have improvement assessments ranging from \$68,957 to \$75,131 or from \$26.62 to \$29.17 per square foot of living area. The subject's improvement assessment of \$57,875 or \$24.42 per square foot of living area falls below the range established by the best comparables in this record, which is logical given the subject's smaller dwelling size. After considering adjustments to the comparables for differences from the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
