

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Karen Slimmon
DOCKET NO.: 21-39400.001-R-1
PARCEL NO.: 14-33-300-060-0000

The parties of record before the Property Tax Appeal Board are Karen Slimmon, the appellant, by attorney Katherine Amari O'Dell, of Amari & Locallo in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$40,937
IMPR.: \$221,563
TOTAL: \$262,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 3-story dwelling of masonry exterior construction with 4,968 square feet of living area. The dwelling was constructed in 2006 and is approximately 15 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 2-car garage. The property has a 3,275 square foot site and is located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$2,625,000 as of January 1, 2021. The appraisal was prepared by Beata P. Goczewski and Harry M. Fishman, certified general real estate appraisers, for ad valorem tax purposes.

Under the sales comparison approach, the appraisers selected three comparable sales located within 3 blocks of the subject. The parcels range in size from 2,856 to 3,144 square feet of land area and are improved with 3-story homes of masonry exterior construction ranging in size from 4,800 to 5,225 square feet of living area. The dwellings range in age from 12 to 19 years old. Each home has a basement with finished area, central air conditioning, one to three fireplaces, and a 2-car garage. Two comparables each have an elevator. The comparables sold from January 2020 to April 2021 for prices ranging from \$2,450,000 to \$2,675,000 or from \$507.18 to \$552.34 per square foot of living area, including land. The appraisers adjusted the comparables for differences from the subject to arrive at a value for the subject of \$2,625,000 as of January 1, 2021.

Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the appraised value conclusion.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$340,656. The subject's assessment reflects a market value of \$3,406,560 or \$685.70 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the same assessment neighborhood code as the subject. The parcels range in size from 2,952 to 6,000 square feet of land area and are improved with 2-story or 3-story, class 2-06 homes of masonry exterior construction ranging in size from 2,836 to 4,409 square feet of living area. The dwellings range in age from 132 to 138 years old. Each home has a basement, three of which have finished area, central air conditioning, and from a 2-car to a 4-car garage. Three homes each have one or two fireplaces. The comparables sold from January to December 2021 for prices ranging from \$2,687,500 to \$4,200,000 or from \$782.49 to \$1,090.34 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Adm.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Adm.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant presented an appraisal and the board of review presented four comparable sales in support of their respective positions before the Board. The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the appraisers selected comparables that sold proximate in time to the assessment date and are more similar to the subject in design, dwelling size, and age than the board of review's comparables and made

appropriate adjustments to the comparables in concluding a value for the subject as of the assessment date.

The subject's assessment reflects a market value of \$3,406,560 or \$685.70 per square foot of living area, including land, which is above the appraised value conclusion. The Board finds the subject property had a market value of \$2,625,000 as of the assessment date at issue. Since market value has been established the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Adm.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
