

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dennis & Nancy Rosinski  
DOCKET NO.: 21-40318.001-R-1  
PARCEL NO.: 26-31-210-016-0000

The parties of record before the Property Tax Appeal Board are Dennis & Nancy Rosinski, the appellant(s), by attorney Marie Mactal, of the Law Offices of Terrence Kennedy Jr. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,125  
**IMPR.:** \$16,875  
**TOTAL:** \$20,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame construction with 1,742 square feet of living area. The dwelling is 15 years old. Features of the home include a full basement, central air conditioning, and a two-car garage. The property has a 3,125 square foot site and is located in Hyde Park Township, Cook County. The subject is classified as a class 2-07 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity and comparable sales as the bases of the appeal. In support of the assessment equity argument the appellant submitted information on five equity comparables. The appellant did not submit comparable sales; however, the appellant submitted the subject's settlement statement and real estate contract that indicate the subject sold on May 10, 2019 for price of \$127,000. The appellant did not answer any of the questions on the Property Tax Appeal Board's appeal form Section IV- Recent Sale Data.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$20,000. The subject property has an improvement assessment of \$16,875 or \$9.69 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. The board of review submitted evidence that the sale was a foreclosure sale.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the board of review comparables #1, #2, #3, or #4. These comparables had improvement assessments that ranged from \$10.70 to \$11.82 per square foot of living area. The subject's improvement assessment of \$9.69 per square foot of living area falls below the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant did not provide evidence demonstrating the sale had the elements of an arm's length transaction. The appellant did not complete Section IV - Recent Sale Data of the appeal form as required by Property Tax Appeal Board rules and did not disclose whether the parties to the transaction were not related or whether the property had been advertised on the open market place. Without this information, the Board is unable to determine whether the subject's purchase price reflects its market value. Based on this record the Board finds the appellant did not meet the burden of proving by a preponderance of the evidence that the subject is overvalued and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
