

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Aniuska B. Payares
DOCKET NO.: 21-40840.001-R-1
PARCEL NO.: 14-29-305-044-0000

The parties of record before the Property Tax Appeal Board are Aniuska B. Payares, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$99,045
IMPR.: \$179,872
TOTAL: \$278,917

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of masonry exterior construction with 4,328 square feet of living area. The home is approximately 10 years old. Features of the home include a full basement finished with a recreation room, central air conditioning, five fireplaces, and a 3-car garage. The property has a 6,603 square foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that are located in the subject's assessment neighborhood code. The comparables are improved with class 2-08 dwellings of masonry or stucco exterior construction ranging in size from 4,473 to 4,583 square feet of living area. The homes are either 10 or 14 years old.

Three comparables each have a full basement and one comparable has a crawl space foundation. Each comparable has central air conditioning, either two or three fireplaces, and either a 2-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$121,845 to \$141,020 or from \$27.24 to \$31.45 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$129,494 or \$29.92 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$278,917. The subject property has an improvement assessment of \$179,872 or \$41.56 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located in the subject's assessment neighborhood code. The comparables are improved with 3-story, class 2-08 dwellings of masonry exterior construction ranging in size from 4,119 to 4,989 square feet of living area. The homes range in age from 7 to 13 years old. Each comparable has a full basement finished with a recreation room, central air conditioning, from one to four fireplaces, and either a 2-car or a 3-car garage. The comparables have improvement assessments ranging from \$177,737 to \$252,533 or from \$42.25 to \$50.62 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

In written rebuttal, the appellant pointed out the difference in living area between the subject property and board of review comparable #3.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested equity comparables for the Board's consideration. The Board finds the best evidence of assessment equity to be the appellant's comparables #3 and #4 as well as board of review comparables #1, #2, and #4 which are similar to the subject in location, age, dwelling size, and other features. These comparables have improvement assessments ranging from \$140,676 to \$195,199 or from \$30.77 to \$47.39 per square foot of living area. The subject's improvement assessment of \$179,872 or \$41.56 per square foot of living area falls within the range established by the best comparables in this record. The Board gives less weight to the appellant's comparable #1 which has an improvement that is substantially lower than the other comparables in this record, thus making this comparable an outlier. The Board also gives less weight to the appellant's comparable #2 and board of review comparable #3 due to substantial differences from the subject in foundation type or dwelling size. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence

that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
