

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: C Squared Management, LLC
DOCKET NO.: 21-41009.001-R-1
PARCEL NO.: 14-19-215-039-0000

The parties of record before the Property Tax Appeal Board are C Squared Management, LLC, the appellant, by attorney Abby L. Strauss of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$48,400
IMPR.: \$46,600
TOTAL: \$95,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story multi-family building of masonry exterior construction with 3,753 square feet of gross building area. The building is approximately 103 years old. Features of the building include a full unfinished basement, three bathrooms and a two-car garage. The property has a 3,872 square foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject. The comparables are class 2-11 properties that are improved with multi-family buildings of masonry exterior construction ranging in size from 3,576 to 4,002 square feet of gross building area. The

buildings are from 93 to 117 years old. The comparables each have a full basement. No data was provided by the appellant concerning finished basement area. Each comparable has from two to four bathrooms and three comparables each have a two-car garage. The comparables have improvement assessments that range from \$26,250 to \$42,861 or from \$7.34 to \$10.71 per square foot of gross building area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$33,777 or \$9.00 per square foot of gross building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$95,000. The subject property has an improvement assessment of \$46,600 or \$12.42 per square foot of gross building area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located either on the same block as the subject or approximately $\frac{1}{4}$ of a mile from the subject property. The comparables are class 2-11 properties that are improved with three-story multi-family buildings of masonry exterior construction ranging in size from 3,549 to 4,023 square feet of gross building area. The buildings are from 94 to 105 years old. The comparables each have a full unfinished basement and three bathrooms. Three comparables each have a two-car garage. The comparables have improvement assessments that range from \$52,028 to \$55,937 or from \$13.60 to \$15.07 per square foot of gross building area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable properties for the Board's consideration. The Board finds the best evidence of assessment equity to be the appellant's comparables #2, #3 and #4, along with board of review comparables #1, #2 and #3, which are similar to the subject in location, building size, age and some features. These comparables have improvement assessments ranging from \$29,163 to \$55,937 or from \$7.70 to \$15.07 per square foot of gross building area. The subject's improvement assessment of \$46,600 or \$12.42 per square foot of gross building area falls within the range established by the best comparables in the record. Less weight was given to the appellant's comparable #1 and board of review comparable #4 due to their lack of a garage, a feature of the subject. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
