

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Barbara Bowman
DOCKET NO.: 21-41378.001-R-1
PARCEL NO.: 20-11-112-007-0000

The parties of record before the Property Tax Appeal Board are Barbara Bowman, the appellant, by attorney Jeffrey A. Holland, of Holland Hicks Law, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$99,495
IMPR.: \$63,500
TOTAL: \$162,995

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling with 4,468 square feet of living area of masonry construction. The dwelling is approximately 80 years old. Features of the home include an unfinished basement, central air conditioning, four fireplaces and a 4-car garage with 300 square feet of building area. The property has an approximately 19,899 square foot site and is located in Chicago, Hyde Park Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located in the same neighborhood code as the subject property. The comparables were improved with 2-story dwellings of frame or masonry exterior construction that ranged in size from 4,033 to 6,552 square feet of living area. The dwellings range in age from 97 to 123 years old. The comparables have sites ranging in size from 6,651 to 13,982 square feet of land area. Each comparable has a basement, three with finished area, and two or three fireplaces. Four comparables each have central air conditioning

and a garage ranging in size from 200 to 800 square feet of building area. The comparables sold from October 2020 to December 2021 for prices ranging from \$1,020,000 to \$1,775,000 or from \$209.87 to \$371.03 per square foot of living area, land included. Based on this evidence, the appellant requested that the subject's assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$162,995. The subject's assessment reflects a market value of \$1,629,950 or \$364.81 per square foot of living area, including land, when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in the same neighborhood code as the subject property. Comparable #1 is the same property as appellants comparable #1. The comparables were improved with class 2-06, 2-story dwellings of frame or masonry exterior construction that ranged in size from 4,108 to 4,784 square feet of living area. The dwellings range in age from 101 to 121 years old. The comparables have sites ranging in size from 8,692 to 17,500 square feet of land area. Each comparable has a basement, two with finished area, one or two fireplaces and from a 1-car to a 3-car garage. Two comparables each have central air conditioning. The comparables sold from January to December 2021 for prices ranging from \$1,775,000 to \$2,200,000 or from \$371.03 to \$477.02 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration, with one common comparable. The Board gave less weight to the appellant's comparables #3 and #4 as well as board of review comparables #3 and #4 due to their finished basements, a feature the subject lacks. The Board gave less weight to appellant's comparables #2 and #5 due to their smaller lot size when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable #1 along with board of review comparables #1 and #2, which includes the common comparable. These comparables had varying degrees of similarity in location, site size, age, dwelling size and some features. These comparables sold in January and December 2021 for prices of \$1,775,000 and \$1,800,000 or \$371.03 and \$412.37 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,629,950 or \$364.81 per square foot of living area, including land, which falls below the two best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
