

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Ellerbrock
DOCKET NO.: 21-41531.001-R-1
PARCEL NO.: 13-22-223-001-0000

The parties of record before the Property Tax Appeal Board are David Ellerbrock, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,920
IMPR.: \$33,080
TOTAL: \$47,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 1,772 square feet of living area. The dwelling is approximately 99 years old. Features of the home include a basement and a 1-car garage. The property has an approximately 4,350 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted four equity comparables that are located in the same assessment neighborhood code as the subject property. The appellant reported that the comparables are improved with class 2-05 dwellings of frame exterior construction that range in size from 1,584 to 2,096 square feet of living area. The dwellings range in age from 116 to 133 years old. Each comparable has a basement and central air conditioning and either a 1-car or a 2-car garage. Two comparables each have one fireplace. The comparables have improvement assessments that range from \$24,882 to \$31,863 or from \$15.20

to \$16.57 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$28,139 or \$15.88 per square foot of living area.

The appellant also provided a copy of the Cook County Board of Review decision indicating the subject has a final assessment of \$47,000 for tax year 2021. The appeal petition disclosed for tax year 2021 that the subject had a land assessment of \$13,920 and an improvement assessment of \$33,080 or \$18.67 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal." The subject's total assessment reported in the notes on appeal differs from the total assessment depicted in the Cook County Board of Review decision provided by the appellant.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The board of review reported that the comparables are improved with class 2-05, 2-story dwellings of frame exterior construction that range in size 1,408 to 1,774 square feet of living area. The dwellings range in age from 107 to 123 years old. Each comparable has an unfinished basement. Two comparables each have central air conditioning, one comparable has one fireplace and three comparables each have either a 1.5-car or a 2-car garage. The comparables have improvement assessments that range from \$32,120 to \$37,254 or from \$21.00 to \$23.66 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables as well as board of review comparables #2 and #4, due to their central air conditioning, a feature the subject lacks.

The Board finds the best evidence of assessment equity to be board of review comparables #1 and #3. The Board finds that these two comparables are most similar to the subject in location, age, dwelling size and some features. These two most similar comparables have improvement assessments of \$32,120 and \$37,254 or \$21.00 and \$22.81 per square foot of living area. The subject's improvement assessment of \$33,080 or \$18.67 per square foot of living area, falls below the two best comparables in this record on a square foot basis but is bracketed on an overall improvement assessment basis. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not

demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
