

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Kitson
DOCKET NO.: 21-41603.001-R-1
PARCEL NO.: 13-15-306-127-0000

The parties of record before the Property Tax Appeal Board are John Kitson, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,798
IMPR.: \$49,201
TOTAL: \$62,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a two-story dwelling of frame exterior construction with 2,680 square feet of living area. The dwelling is approximately 25 years old. Features include a full unfinished basement, central air conditioning, one fireplace and a two-car garage. The property has a 4,928 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with regard to the improvement as the basis of the appeal. In support of the assessment inequity argument, the appellant submitted information on four comparables located in the same neighborhood code as the subject. The comparables consist of class 2-78 dwellings of frame exterior construction ranging in size from 2,050 to 2,984 square feet of living area. The homes range in age from 24 to 57 years old. The comparables

have full or partial basements, central air conditioning, and two-car garages. Two homes each have one fireplace. The comparables have improvement assessments ranging from \$31,298 to \$51,302 or from \$15.27 to \$17.19 per square foot of living area.

Based on this evidence the appellant requested the subject's improvement assessment be reduced to \$44,434 or \$16.58 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$62,999. The subject property has an improvement assessment of \$49,201 or \$18.36 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same neighborhood code and either the same tax block or within $\frac{1}{4}$ of a mile from the subject. The comparables are improved with class 2-78 two-story dwellings of frame exterior construction that contain either 2,301 or 2,680 square feet of living area. The comparables range in age from 18 to 26 years old. Features include full unfinished basements, central air conditioning, one fireplace and either a 2-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$50,103 to \$54,617 or from \$18.70 to \$23.74 per square foot of living area.

Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight suggested equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables #1 and #4 along with board of review comparable #4 due to significant differences in dwelling size when compared to the subject which range from approximately 11% to 24%. Additionally, appellant's comparable #1 is significantly older at 57 years old as compared to the subject's age of 25 years.

The Board finds the best evidence of assessment equity to be appellant's comparables #2 and #3 as well as board of review comparables #1, #2 and #3, which are each similar to the subject in location and age and are each identical to the subject in dwelling size, foundation type and most features. These five comparables have improvement assessments ranging from \$45,226 to \$51,704 or from \$16.88 to \$19.29 per square foot of living area. The subject's improvement assessment of \$49,201 or \$18.36 per square foot of living area falls within the range established

by the best comparables in this record both in terms of overall improvement assessment and on a per-square-foot of living area basis. Based on this record and after considering appropriate adjustments to slight differences when comparing the comparables to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
