

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Howard Rosenfeld
DOCKET NO.: 21-41739.001-R-1
PARCEL NO.: 14-32-422-031-0000

The parties of record before the Property Tax Appeal Board are Howard Rosenfeld, the appellant, by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$37,500
IMPR.: \$71,578
TOTAL: \$109,078

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,600 square feet of living area. The dwelling is approximately 138 years old. Features of the home include a basement with finished area, central air conditioning, and two fireplaces. The property has a 3,000 square foot site and is located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 2-story, class 2-06 homes of frame, masonry, or frame and masonry exterior construction ranging in size from 2,400 to 2,520 square feet of living area. The

dwelling range in age from 133 to 138 years old. Four homes each have a basement with finished area and one home has a slab foundation. Each home has central air conditioning and a 1-car or a 2-car garage. Four homes each have a fireplace. The comparables have improvement assessments ranging from \$60,800 to \$71,000 or from \$24.52 to \$28.23 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment to \$71,578.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$129,540. The subject property has an improvement assessment of \$92,040 or \$35.40 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 2-story, class 2-06 homes of frame or frame and masonry exterior construction ranging in size from 2,340 to 2,754 square feet of living area. The dwellings range in age from 130 to 149 years old. Three homes each have a basement, two of which have finished area, and one home has a crawl space foundation. Each home has central air conditioning, a fireplace, and a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$88,049 to \$99,125 or from \$33.18 to \$38.72 per square foot of living area. Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Ad.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Ad.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #1 and the board of review's comparables #1, #3, and #4, due to substantial differences from the subject in age, foundation type, and/or basement finish. The Board finds the best evidence of assessment equity to be the appellant's comparables #2 through #5 and the board of review's comparable #2, which are more similar to the subject in dwelling size, age, location, and features, although these comparables each have a garage unlike the subject, suggesting downward adjustments to these comparables would be needed to make them more equivalent to the subject. These comparables have improvement assessments that range from \$62,000 to \$91,378 or from \$25.83 to \$33.18 per square foot of living area. The subject's improvement assessment of \$92,040 or \$35.40 per square foot of living area falls above the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
