

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stephen Milott
DOCKET NO.: 21-41929.001-R-1
PARCEL NO.: 13-22-216-033-0000

The parties of record before the Property Tax Appeal Board are Stephen Milott, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,600
IMPR.: \$31,400
TOTAL: \$37,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story multi-family building of masonry exterior construction with 2,758 square feet of building area. The building is approximately 118 years old. Features of the building include a concrete slab and 2 bathrooms. The property has a 1,750 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject. The comparables are class 2-11 properties that are improved with multi-family buildings of masonry or frame and masonry exterior construction ranging in size from 2,112 to 3,654 square feet of building area.

The buildings are from 101 to 127 years old. The comparables each have a full or partial basement. However, the appellant did not address whether there was basement finish. The appellant reported that each comparable has central air conditioning, 2 to 3 bathrooms and a 2-car garage. The comparables have improvement assessments that range from \$21,761 to \$39,589 or from \$10.17 to \$10.83 per square foot of building area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$28,849 or \$10.46 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$37,000. The subject property has an improvement assessment of \$31,400 or \$11.39 per square foot of building area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables that have the same assessment neighborhood code as the subject. The comparables are class 2-11 properties that are improved with two-story multi-family buildings of frame or masonry exterior construction ranging in size from 2,340 to 2,754 square feet of building area. The buildings are from 98 to 113 years old. Comparable #2 has a basement with finished area and three comparables each have a concrete slab foundation. Each comparable has 2 or 2½ bathrooms and three comparables each have a 1-car garage. The comparables have improvement assessments that range from \$34,237 to \$46,715 or from \$13.85 to \$17.37 per square foot of building area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable properties for the Board's consideration. The Board has given less weight to the appellant's comparables, as well as board of review comparable #2, which have basement foundations and/or central air conditioning, unlike the subject. Additionally, the appellant's comparables #2 and #4, along with board of review comparable #2 differ from the subject in building size.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #3 and #4, which are overall most similar to the subject in location, building size and age. However, the Board finds two of three comparables have a 1-car garage, unlike the subject, suggesting downward adjustments would be required to make the comparables more equivalent to the subject. Nevertheless, these three comparables have improvement assessments ranging from \$34,247 to \$46,715 or from \$13.85 to \$16.96 per square foot of building area. The subject's improvement assessment of \$31,400 or \$11.39 per square foot of building area falls

below the three best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
