

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Central Park Building, LLC
DOCKET NO.: 21-41954.001-R-1
PARCEL NO.: 13-14-416-010-0000

The parties of record before the Property Tax Appeal Board are Central Park Building, LLC, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$23,625
IMPR.: \$35,533
TOTAL: \$59,158

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 3-story multi-family building of masonry exterior construction with 4,515 square feet of building area. The building is approximately 99 years old. Features of the building include an unfinished basement and a 2-car garage.¹ The property has an approximately 4,725 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The

¹ The Board finds the best description of the subject was found in the grid analysis submitted by the board of review and not refuted by the appellant.

comparables are improved with class 2-11 multi-family buildings of masonry exterior construction ranging in size from 4,007 to 4,793 square feet of building area. The buildings range in age from 101 to 120 years old. Each comparable has a basement with no finish basement information, central air conditioning and a 2-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$28,705 to \$32,405 or from \$6.16 to \$7.28 per square foot of building area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$31,470 or \$6.97 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$59,158. The subject property has an improvement assessment of \$35,533 or \$7.87 per square foot of building area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 3-story class 2-11 multi-family buildings of masonry exterior construction ranging in size from 4,188 to 4,752 square feet of building area. The buildings range in age from 91 to 98 years old. Each comparable has a basement with two having finished area. And each building also has either a 2-car or a 3-car garage. The comparables have improvement assessments ranging from \$36,980 to \$52,375 or from \$8.83 to \$11.16 per square foot of building area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives less weight to appellant comparable #1 which is less similar to the subject in age than other properties in the record in age. The Board gives less weight to board of review comparables #2 and #3 which have finished basement area in contrast to the subject's unfinished basement. The Board finds the best evidence of assessment equity to be appellant comparables #2, #3 and #4 along with board of review comparables #1 and #4 which are more similar to the subject in location, age, design, building size and most features. These best comparables have improvement assessments ranging from \$28,705 to \$44,375 or from \$7.16 to \$9.34 per square foot of building area. The subject's improvement assessment of \$35,533 or \$7.87 per square foot of building area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
