

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daniel Curley
DOCKET NO.: 21-42296.001-R-1 through 21-42296.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Daniel Curley, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
21-42296.001-R-1	18-07-216-023-0000	6,251	62,079	\$68,330
21-42296.002-R-1	18-07-216-031-0000	4,347	38,653	\$43,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property has two PINs: PIN 18-07-216-023-0000 and PIN 18-07-216-031-0000, both of which are listed as having an improvement. The subject property consists of a 22-year-old, two-story, single-family dwelling of masonry construction with 6,008 square feet of living area. Features of the home include a full basement with a formal recreation room, central air conditioning, and a two-car garage. The property has an 8,415 square foot site and is located in Western Springs, Lyons Township, Cook County. The subject is classified as a class 2-09 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables.

Furthermore, the subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 20-39457.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$68,330 for -023 and \$43,000 for -031 on a stipulation submitted by the parties. The tax years 2020 and 2021 are within the same general assessment period and the appellant disclosed in the 2020 appeal that the subject property is an owner-occupied residence. The appellant is the same for 2020 and 2021.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$80,166 for -023 and \$53,444 for -031. The subject property has an improvement assessment of \$73,645 for -023 and \$49,097 for -031 or a combined \$20.43 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables.

Conclusion of Law

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2020 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. Additionally, section 10-15 of the Illinois Administrative Procedure Act states: "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10-15. The Board takes official notice that under 20-39457.001-R-1 it rendered a decision lowering the subject's assessment for tax year 2020 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2020 and the instant tax year of 2021 are in the same general assessment period for Lyons Township. The Board further finds that the subject is owner-occupied based on the appellant's statement in Section II of the 2021 appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction subsequent to the Board's decision for the 2020 tax year, or that the Board's decision for the 2020 tax year was reversed or modified upon review. For these reasons, the Board finds that the appellant has proven, by a preponderance of the evidence, that the subject's assessment should be carried forward to the 2021 tax year, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's decision for the 2020 tax year, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
