

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Vicki Sanders
DOCKET NO.: 21-44833.001-R-1
PARCEL NO.: 15-10-123-009-0000

The parties of record before the Property Tax Appeal Board are Vicki Sanders, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,494
IMPR.: \$11,111
TOTAL: \$14,605

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, single-family dwelling of frame construction with 828 square feet of living area. Features of the dwelling include one bath, a full unfinished basement, and a two-car garage. The dwelling was constructed in 1925. The property has a 7,355 square foot site and is located in Bellwood, Proviso Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three sale comparables. The three sale comparables sold from January 2021 to November 2021 for prices ranging from \$129.47 to \$138.89 per square foot of living area, including land. The appellant requested the subject's total assessment be reduced to \$12,107.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$14,603. The subject's assessment reflects a market value of

\$146,030 or \$176.36 per square foot of living area including land, when applying the 2021 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of the assessment, the board of review submitted four sale comparables. The four sale comparables sold from April 2019 to August 2021 for prices ranging from \$187.85 to \$310.61 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's comparable #3 and the board of review's comparables #1, #2 and #4. These comparables are similar in location, size, stories, construction, and amenities. These comparables sold for prices ranging from \$138.02 to \$310.61 per square foot of living area, including land. The subject's assessment reflects a market value of \$176.36 per square foot of living area including land, which is within the range established by the best comparable sales in this record. After considering all the comparables submitted by the parties with emphasis on those properties that are more proximate in location, more similar in size, and with similar features relative to the subject and after further considering adjustments to the best comparables for differences from the subject, the Board finds the subject's assessment is supported. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
