

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ronald Heiderman
DOCKET NO.: 21-45276.001-I-1
PARCEL NO.: 14-07-322-042-0000

The parties of record before the Property Tax Appeal Board are Ronald Heiderman, the appellant(s), by attorney Jennifer Kanik, of the Law Offices of Terrence Kennedy Jr. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,535
IMPR.: \$28,966
TOTAL: \$30,501

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 691-square-foot commercial unit located in a condominium building of masonry construction. The building is approximately 15 years old. The property has a 6,200 square foot site and is located in Chicago, Lakeview Township, Cook County. The subject is classified as a class 5-97 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on two class 5-97 equity comparable properties with varying degrees of similarities to the subject which are located on the same block as the subject. The improvements are described as 15-year-old commercial units of masonry construction with 790 square feet of building area with improvement assessments of \$22,506 and

\$40,919. Based on this evidence the appellant is seeking a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$39,188. The subject property has an improvement assessment of \$37,654 or \$54.49 per square foot of building area. The board of review did not submit any other evidence.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant submitted two equity comparable properties for the Board's consideration in determining assessment equity. The Board finds the best evidence of assessment equity to be appellant's comparables #1 and #2. These comparables had improvement assessments that ranged from \$28.49 to \$51.80 per square foot of living area. The subject's improvement assessment of \$54.49 per square foot of living area falls above the range established by the best comparable properties in this record. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
