

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 5300 Mangolia LLC  
DOCKET NO.: 21-46021.001-R-1  
PARCEL NO.: 14-08-120-031-0000

The parties of record before the Property Tax Appeal Board are 5300 Mangolia LLC, the appellant(s), by attorney Nicholas T. McIntyre, of Much Shelist, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$49,200  
**IMPR.:** \$26,800  
**TOTAL:** \$76,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 6,150 square foot parcel of land improved with a 108-year-old, two-story, masonry, multi-family dwelling containing 4,148 square feet of building area. The property is located in Chicago, Lake View Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, appellant submitted copies of the settlement statement, sales contract, and warranty deed which disclosed the subject was purchased on November 1, 2019, for \$760,000. The petition discloses that the transfer was not between related parties, that the property was sold by owner, it was advertised on the multiple listing for 18 months, and that the property was not sold due to a foreclosure or a contract for deed. The settlement statement included realtor commissions.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the assessment of \$98,000 which reflects a market value of \$980,000 using the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

In support of the current assessment, the board of review submitted four sales comparables. These comparables are described as two-story, multi-family dwellings with masonry, stucco, or frame and masonry construction. They range in age from 108 to 117 years and in size from 3,143 to 4,754 square feet of building area. They sold from April to December 2021 for prices ranging from \$273.45 to \$349.98 per square foot of building area.

A hearing was held on December 4, 2025. At hearing, the appellant's attorney argued that the sale of the subject approximately 13 months prior to the lien date establishes market value and supports a reduction in the assessment. The attorney also argues the board of review failed to submit any supporting data, such as listing sheets, on the board of review's comparables.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the only evidence of market value to be the purchase of the subject property in November 2019 for a price of \$760,000. The appellant submitted evidence of the sale of the subject and the board of review did not show the sale was not at arm's-length. Based on this record the Board finds the subject property had a market value of \$760,000 as of the lien date. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
